[Secrets of a Summer Night](#)

[It Happened One Autumn](#)

[The Devil in Winter](#)

[Scandal in Spring](#)

These four books make up the Wallflower series by Lisa Kleypas. They form a charming quartet of romances about four young women who have dubbed themselves “The Wallflowers” as they look for love with gorgeous, complicated men while demonstrating humor and a lot of heart!

[This Heart of Mine](#)

by Susan Elizabeth Phillips

A charming, funny contemporary romance between a gorgeous football star and a clever and humble ex-heiress. Sparks fly and the fun never stops!

[Potent Pleasures](#)

by Eloisa James

A fairly new addition to Regency romance authors. All of her books are delightful and sexy. This title is her Regency debut. (A “Regency” romance is one set during the Regency period in England—first third of the 19th century. The most famous Regency romance author is Georgette Heyer.

[The Mercy of Thin Air](#)

by Ronlyn Dominique

Part ghost story, part love story. A first novel that will stay with you. Beautifully written.

[Belong To Me](#)

by Marisa De Los Santos

De Los Santos has created an unforgettable heroine in Cornelia Brown. These novels shine throughout on the topic of love, both romantic and familial.

[Almost Heaven](#)

by Judith McNaught

McNaught's historical romances are simply wonderful. Elizabeth is English—Ian is Scottish. Their love affair is one of the most memorable and lovely I've ever read. (three times at last count!)
