Fables, fairy tales and folklore – where your favorite characters dance off the page! Go back to “Once Upon a Time” and enjoy an afternoon of stories, dancing and adventure. Listen to musical performances, watch demonstrations, dance at the “Princess Ball”, visit crafts and games areas, and discover the amazing world where books come to life. The Faire features a Quest (complete with heroes and villains), weapons demonstrations, combat performances by the School of Stage Combat and bagpiping by the Anderson Pipe Band. Admire stained-glass techniques with the Stained Glass Guild of Oklahoma, discover the arts of fantasy doll making from the Dolling Dames and jewelry making by Storm Watch Jewelry. Also, sit back and relax to Irish harp music from Amberly Burgard. Children’s activities include storytimes, a marionette performance, crafts and games. Face painting is provided by the Gentle Jesters, while cultural groups and local associations will speak about their crafts and trades. Allow yourself to take a step back in time and experience a realm that always lives happily ever after!
