Check It Out!

College isn't easy! The coursework should be more challenging than in high school, staying organized might be tough, and time management can be tricky. Take the time now to learn how to manage your time, develop some organizational skills, and practice good study habits. Rely on great resources such as your parents, guidance counselors, and the library to find out how to develop these important life skills.

2011 Summer Academies In Math, Science, and Technology For 8th-12th Grade Students

This summer, spend some time at a college or university right here in Oklahoma. At a Summer Academy you can discover the remarkable worlds of engineering, forensic science, aeronautics, environmental conservation, and so much more!

Managing Your Time @ Martin Regional Library

Thursday, April 7, 2011
6:30-7:30PM
2601 S. Garnett Road

Join us for a workshop focusing on time management. Learn some useful tips and techniques to help you plan ahead and stay organized. This program is presented by Kristin Huber, founder and owner of All the Little Things, LLC.

Fascinating facts about Summer Academies...

- 23 Summer Academies are available this year at 16 different college campuses across the state.
- More than 17,000 Oklahoma students have attended Summer Academies since 1990.
- 73 percent of Summer Academies students go to college immediately after high school, compared to 56 percent of all students.
- While in college, Summer Academies students are more academically prepared than their peers, requiring one-third fewer remedial courses than all other students.
- More than 80 percent of Summer Academies students earn at least a bachelor's degree, compared with 22 percent of all Oklahomans.
- All Summer Academies, even residential ones where students live on campus, are **FREE**.

Here's your big chance to have fun, learn something new, and explore potential careers. For more information about these great opportunities, visit www.okhighered.org/summer-academies or call 1-800-858-1840.

Tulsa Tech Success Centers Options For Learning & Career Advancement

The [Tulsa Technology Center](#) has developed a wonderful program to assist students, ages 12 through adult, with their learning and career needs. Tulsa Tech has four Success Center locations around the Tulsa area to help students with GED preparation, resume and job search assistance, ACT/SAT preparation, and college and career counseling.

Operating hours are Monday-Thursday from 4:00PM-9:00PM. For more information call 918-828-5200, email richard.palazza@tulsatech.org, or visit online http://www.tulsatech.edu/services/success_center.aspx.
