

Plan4College CENTER

January 2009

Thank you for subscribing to our Plan4College E-newsletter, a supplement to our brand-new Plan4College Centers at [Martin Regional Library](#) and [Rudisill Regional Library](#).

This month's newsletter concentrates on helping students and their parents explore different Career opportunities.

Upcoming Plan4College Class:

Saturday, January 17, 9:30-11:00 a.m.

Rudisill Regional Library

1520 N Hartford Ave., 596-7280

Career Books:

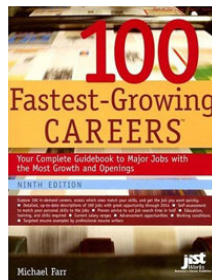

Career books aim to help you identify and prepare for a career that suits your skills, values, interest, and personality. Read, explore and utilize the career books to help you discover your dreams as well as to determine, pursue, and attain your goals.

[150 Best Recession-Proof Jobs](#)

331.702 S533c 2009

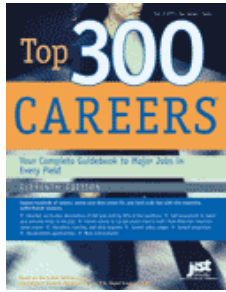

A total of 75 lists rank the best recession-proof jobs by pay, growth, and openings, plus by education level, personality type, career clusters/interests, age, part-time work, and self-employment. Bonus lists reveal the most recession-proof metropolitan areas and states, the most recession-proof skills, and the jobs very sensitive to recession. The detailed job descriptions give helpful facts on pay, growth, openings, tasks, skills needed, education and training required, work environment, job security, and fastest-growing metropolitan areas for the job.

[100 Fastest-Growing Careers](#)

331.7 O5801 2009

Explore 100 in-demand careers, assess which ones match your skills, and get the job you want quickly with this authoritative resource. In one time-saving volume, job seekers and students find everything they need to research fast-growing careers; learn about pay, outlook, education, and skills for the 100 jobs; match their personal skills to the jobs; and take seven steps to land a good job in less time

Top 300 Careers: Your Complete Guidebook to Major Jobs in Every Field

331.702 T62 2008

Explore hundreds of careers, assess your best career fit, and land a job fast with this extensive, authoritative resource. In one time-saving volume, job seekers and students find everything they need to research careers. This book provides thorough, current, and interesting descriptions for all major jobs - covering about 90% of the workforce.

Enhanced Occupational Outlook Handbook

331.7 U58e 2007

The Handbook has more than 6,500 job descriptions -- more than in any other career research book:

- * All job descriptions from the Occupational Outlook Handbook
- * Plus thousands more from the ONet and Dictionary of Occupational Titles

The Enhanced Occupational Outlook Handbook combines information from three most authoritative occupational data sources:

- * Occupational Outlook Handbook
- * O*NET database
- * Dictionary of Occupational Titles
