

# Plan4College CENTER

May 2009

Thank you for subscribing to our Plan4College E-newsletter, a supplement to our Plan4College Centers at [Martin Regional Library](#) and [Rudisill Regional Library](#).

This month's newsletter concentrates on helping recent college graduates select the right career path.

## Check It Out:

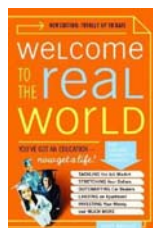

### Have No Career Fear

Edited by Ben Cohen-Leadholtm

650.14 H298 2005

As if getting through college wasn't tough enough, now graduates are faced with their first real test—figuring out what career path to pursue and scoring an awesome, rewarding job. No need to sweat it! This guide is packed with honest advice from recent grads and experienced professionals who offer their invaluable insights.

### Welcome to the Real World: You've Got an Education, Now Get a Life!

By Stacy Kravetz

646.7 K869w 2004

From writing an impressive resume and landing the right first job, to managing on a budget, to starting one's own business, Kravetz is the been-around-the-block friend readers can count on for sage advice in meeting every Real World challenge.

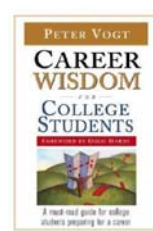

### From Day One: Success Secrets for Starting Your Career

By William J. White

650.1 W586f 2006

Aimed at students approaching graduation as well as young professionals, this practical guide teaches fundamental habits for career success.

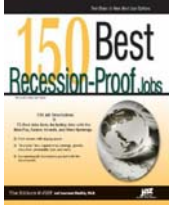

### Career Wisdom For College Students

by Peter Vogt

331.702 V868c 2007

Vogt offers advice to college students on choosing a major and other decisions leading them to their career path. Advice includes how to balance skills with passions and interests, how to gain experience, and how to land jobs through attitude and presentation.

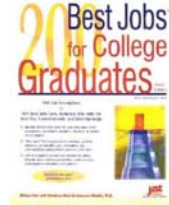

### **150 Best Recession-Proof Jobs**

By Laurence Shatkin

331.702 S533o 2009

Ranks the best recession-proof jobs by pay, growth, and openings, plus by education level, personality type, career clusters/interests, age, part-time work, and self-employment. Bonus lists reveal the most recession-proof metropolitan areas and states, the most recession-proof skills, and the jobs very sensitive to recession.

### **200 Best Jobs for College Graduates**

By Michael Farr

331.7 F24t 2006

Make the most of your college degree! Discover the 200 jobs with the best pay, fastest growth, and most openings for people with associate's, bachelors, and higher degrees. It's a useful, interesting reference for college graduates seeking their first or better jobs, people returning to college, and others planning their education and careers.

## **Helpful Websites for Recent College Graduates**

### **Career Services** [www.okhighered.org/student-center/career-srvcs/](http://www.okhighered.org/student-center/career-srvcs/)

The State Regents offer online resources for job and career information, information on local and national labor markets, top growth occupations, average earnings by educational attainment, average salary by occupation and more.

### **College Grad** [www.collegegrad.com](http://www.collegegrad.com)

Prepare for finding the right job by understanding the job searching process, posting your resume and searching out jobs, internships and employers.
