- \$100 Barnes & Noble gift card
- Fujifilm Instax Mini 8 instant film camera
- Set of four tickets to OKC Thunder preseason game vs. the Houston Rockets at the BOK Center on Oct. 3
- Kindle, provided by Chris Harris Jr. Foundation
- Beats headphones, provided by Chris Harris Jr. Foundation
- Nike backpack, provided by Chris Harris Jr. Foundation
- \$75 Chick-fil-A gift card, provided by Chris Harris Jr. Foundation

() denotes how many will be awarded.

Entries for the drawing must be received by Aug. 5. Wooden tower game and coupons are awarded starting June 19 through Aug. 5. Visit our website at <http://teens.tulsalibrary.org> for more information on teen programming.

Build a Better World With These All-Star Presentations

These programs are scheduled at several libraries and are designated with a ♦ in each library's listings.

Building Bridges Presented by Tulsa Children's Museum

Did you know there are four types of bridges? Students work in teams to build a bridge and test which design is engineered to be the strongest.

Canister Rockets Presented by Tulsa Children's Museum

A chemical reaction creates an explosive good time! Sir Isaac Newton's Third Law of Motion is demonstrated with a fun, exciting experiment youths get to conduct.

Cartooning/Illustration Workshop With Morgan Taylor

Morgan Taylor guides students through a step-by-step character-building project focused around his work on the award-winning Gustafer Yellowgold DVD/CD series. Topics include anatomy, character study and development.

Jeff Cauthen Presents Ventriloquism/Magic

Jeff's show features ventriloquism and more mature type magic tricks, such as needle "swallowing."

Juggle Whatever

Kelsey and Jeremy Philo perform an amazing glow circus show with a variety of astounding LED props including hula hoops, juggling, unicycling and more. Learn how to spin plates, juggle and more!

Mardi Gras Mosaics

Artist Michael Parrish will supply the beads; you supply the creativity!

Pipelines Presented by Tulsa Children's Museum

Investigate how liquids are transferred from one side of an object to another to learn how engineers get oil and other liquids across the continent. Working in groups, students will build, test and revise their own pipelines.

Secrets of a Professional Street Magician Presented by Chris Capstone

Learn amazing and easy to do magic tricks in this close-up workshop.

Squishy Circuit Presented by Tulsa Children's Museum

Kids learn about conductors and insulators, and discover how conductive dough and batteries can power LED lightbulbs, buzzers and simple motors.

Trash Bots Presented by Tulsa Children's Museum

Connect a simple circuit and see recycled materials transform into wiggly, jiggly robots!

Yoga Basics for Teens by Rebel Yoga

Join the staff from Rebel Yoga for a demo of basic yoga skills you can do on your own. Yoga can improve your flexibility, strength, balance and stamina.

BIXBY LIBRARY

◆ **Canister Rockets Presented by Tulsa Children's Museum**
Friday, June 2 • 1-2 p.m. • For ages 10-12.
