HELMERICH LIBRARY: a friend to all

Nestled on a beautifully landscaped, wooded 3-acre lot just east of Yale on 91st Street, the Peggy V. Helmerich Library is home to one of Tulsa's biggest annual used book sales. Every April, the Friends of the Helmerich Library offers the three-day sale that generates thousands of dollars to enhance programming at Helmerich Library as well as fund projects, activities and programs benefiting the entire Tulsa City-County Library.

"We are very fortunate to have the support of this group of dedicated individuals who work tirelessly each year to put together this fantastic sale," said Mike Weibel, Helmerich Library manager.

Since the book sale's inception in 2004, the Friends of the Helmerich Library has given more than \$90,000 to TCCL branches to fund children's programming at every library in Tulsa County, as well as prizes for the Summer Reading Program and performers for the always popular Storytime in the Park events at River Parks.

This year's sale will take place April 12 and 13, with a preview night for Friends members on April 11 (membership may be purchased for \$5 at the sale). Thousands of gently used books and multimedia items for children, young adults and adults will be available. Teachers (with school ID) will receive 50 percent off their entire purchase on April 12 and 13.

As all of the group's fundraising is done through the book sale and benefits the entire library system, Susan Lewis, president of the Friends of the Helmerich Library, said the Friends would like to encourage library customers from other branches to consider donating used books to Helmerich Library's book sale. A book donation box is available year-round in the entryway at the library.

In addition to the book sale, other highlights of this modern library with a cozy neighborhood feel include an interactive children's play area, quiet study rooms, multiple lounge areas, and extensive print and media collections, as well as TCCL's local author collection known as the Oklahoma Spotlight Collection.

"Our goal is to make the Helmerich Library a branch that offers something for everyone," said Weibel. "Whether through our large and ever-expanding children's play area, our robust collection of adult fiction, or our innovative escape-room programs for teens and tweens, we always strive to make the library a popular destination for voracious older readers, young entrepreneurs, families with small children, educational tutors and everyone in between."

The Helmerich Library is named after Peggy V. Helmerich, TCCL Commission emeritus and major supporter of the library system. The library is open Monday through Thursday, 10 a.m. to 8 p.m., and Friday and Saturday, 10 a.m. to 5 p.m. Ongoing programming includes weekly Build A Reader Storytime for families, monthly PAWS for Reading and American Girls events for elementary students, and a monthly Culinary Literacy Cookbook Club for adults.
