PLAY WORKSHOP

Playing is learning! Join us for a three-week play workshop series for parents and children ages 1-3. Each program offers opportunities for children to play with developmentally appropriate toys in a play group atmosphere. Early childhood specialists also will be there to visit with parents on the topics of child development, speech and hearing, movement and music.

Class size is limited. Registration is required and is for all three weeks of the series. To register, please see a children's librarian or call the library.
