KIDS BLOG Help Kids Grow as Readers!

If you are a parent, caregiver or educator, you should follow Tulsa City-County Library’s Kids Blog!

Every week, we give you tips about how to support your children’s literacy, alert you to upcoming library programs your kids will love, and suggest great books to make reading both fun and empowering.

We want to help you develop children into curious readers, motivated learners and fully literate citizens.

Follow the Kids Blog at [www.tulsalibrary.org/kids/kids-blog](http://www.tulsalibrary.org/kids/kids-blog).

There’s something for everyone – simple songs and books for the little ones, more interactive stories and activities for your older children. Stay after storytime for games, toys and activities that foster critical early literacy skills.
