IT KEEPS ON GOING...

*It was a seemingly normal day at the enemies' base...*

**But**

*as Tommy watched Beady build the robot, he noticed that something was wrong.*

*Whenever a human came into the room...*

How's my favorite pets?

SHUFFLE

*She snuck away whatever she was working on, which made it impossible for the Spy Pets to see what she was working on.*

Awww... look how cute they are!

*And then she put on an innocent, adorable face.*

We need to find out what Beady is planning.  
But... how?

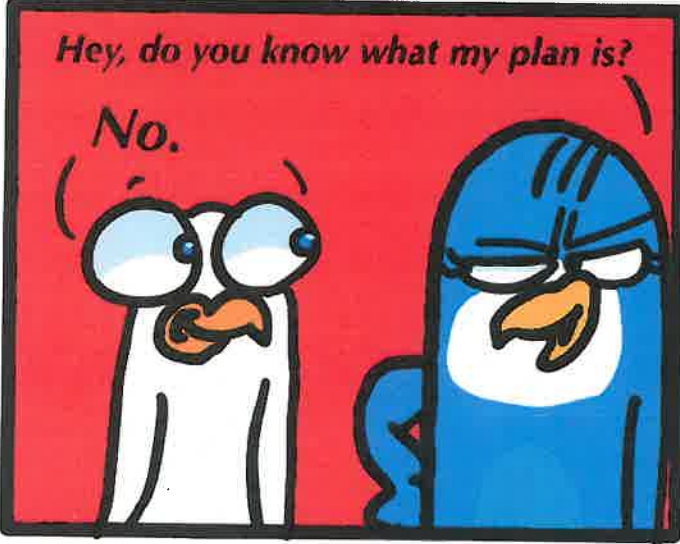

Because tonight, we  
do another sneak attack.

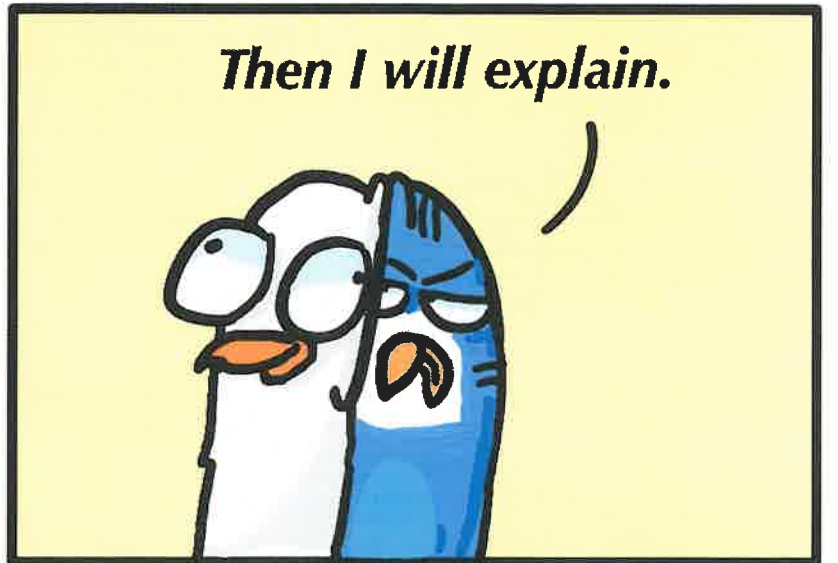

Hey, do you know what my plan is?

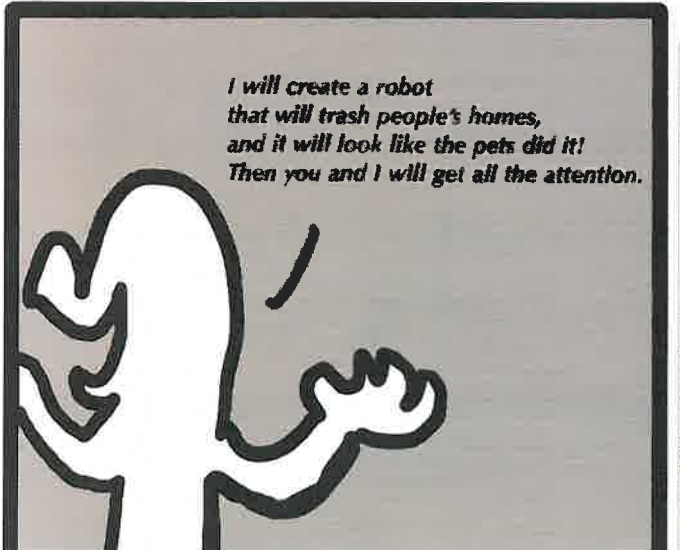

No.

Then I will explain.

I will create a robot  
that will trash people's homes,  
and it will look like the pets did it!  
Then you and I will get all the attention.

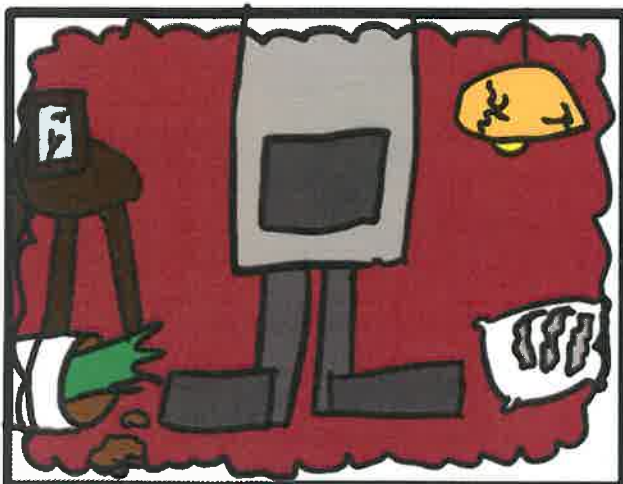

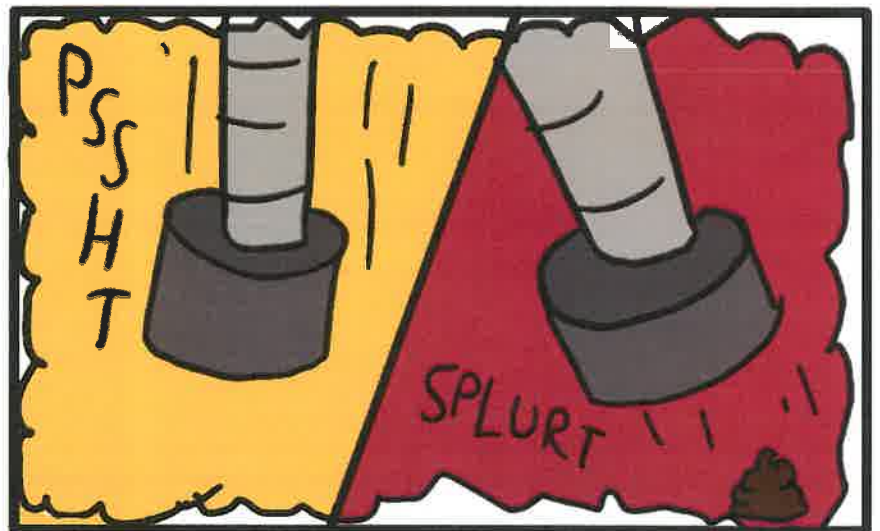

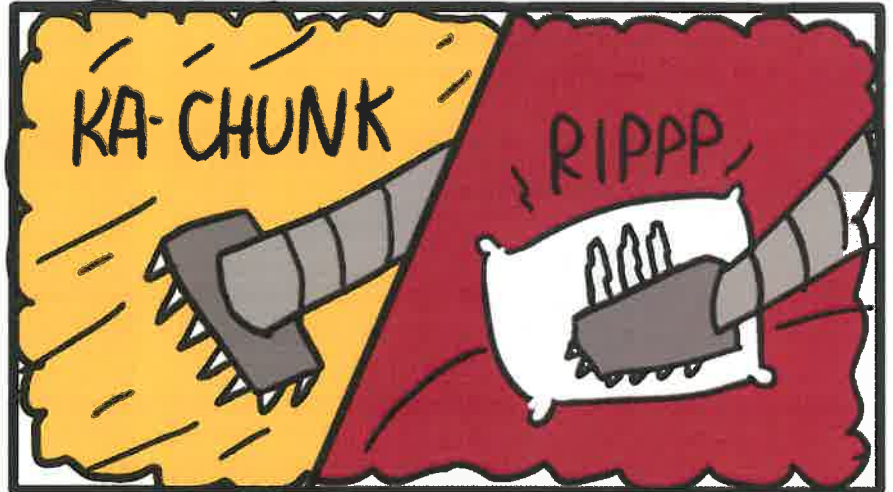

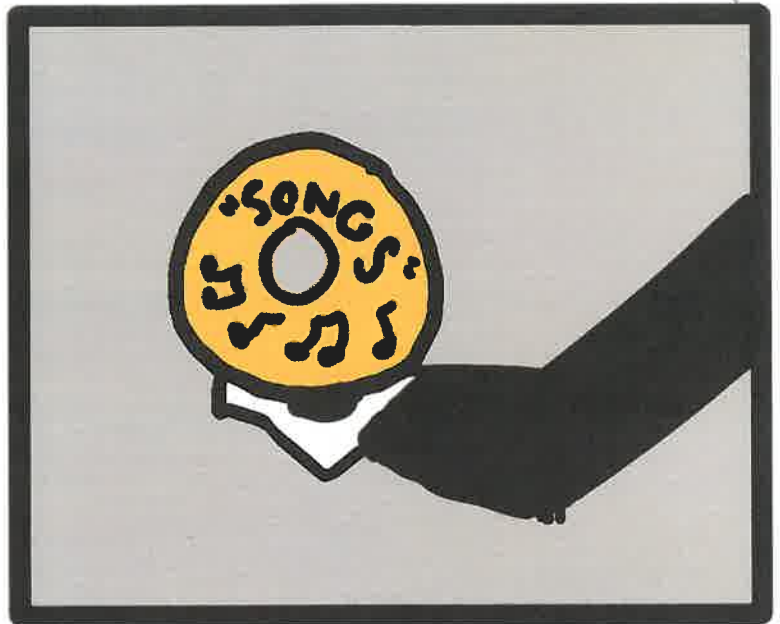

Blah, blah blah...

And they all lived in tranquility and serenity...  
for now.

THE END...  
Or Is It?

*A thanks to these lovely pets for bringing us all joy, and providing insparation for the series.*
