FEBRUARY IS A GREAT EXCUSE TO CELEBRATE LOVE!  
THIS MONTH, WE ASKED YOU WHAT **YOU** LOVE ABOUT THE LIBRARY.

# TCCL customers LOVE...

Courtney S. loves  
"the ability to request  
and pick up holds.  
One thing that makes  
life a little easier!"

"I LOVE the hold system! I am so incredibly thankful for it! I also love that I can take my kids and get a giant stack of books to read with all new stories, ideas, pictures and friends that are different from what we have at home on the shelf. Specifically, [I'm] thankful for automatic renewals and the abolishing of late fees." – Katie B.

Beck S. also loves  
"being able to put books  
on hold and then pick  
them up at my home  
library. Such a treat!"

Get any item in our collection sent to your nearest TCCL location by placing a hold. First, log in to your TCCL account at [www.tccl.bibliocommons.com/user](http://www.tccl.bibliocommons.com/user). Search for an item in the catalog and then select the green **Place Hold** button. Make sure to select the correct library location in the **Pick up at** dropdown menu and then click the red **Place Hold** button to confirm your choice.

"I love helping people, and the library gives me limitless opportunity to fulfill that desire. It feels so great to be part of something bigger than me. I go home every day knowing I have added value to the world. That's the experience you get when you work at the Tulsa City-County Library."  
– John Anderson, facilities manager

Meredith M. takes her granddaughters to the library several times a week because "they love the storytime hour, program activities, checking out books and playtime."

Mandy N. uses the library every single day for "board books, picture books, beginning chapter books, DVDs, Hoopla movies, e-books, audiobooks" and more.

Alice A. loves "the large selection of children's books. I love it for my kids and also my classroom!"

Sharon S. loves "having a free place to take the kids for calm enrichment (and sometimes exciting things!)."

Allison S. also loves  
"the fun environment  
for kids!"

All TCCL locations have sections for children's books. If you need help finding the right type of books for your child, just ask a staff member. To find digital content or to place holds on children's items, visit the catalog at [www.tulsalibrary.org](http://www.tulsalibrary.org) or explore digital online content like BookFlix at [www.tulsalibrary.org/digital](http://www.tulsalibrary.org/digital). Find events for any age group. Check the children's section of this event guide or browse them online at [www.tulsalibrary.org/events](http://www.tulsalibrary.org/events). You can even filter events by age group or by event type, like "storytime."

Every TCCL location has a designated area for children's activities and enrichment. AWE Early Literacy Computers offer educational software for young readers at the Bixby, Central, Charles Page, Kendall-Whittier, Martin Regional, Nathan Hale, Owasso, Rudisill Regional, Suburban Acres, Schusterman-Benson and Zarrow Regional libraries, and educational games through ABC Mouse are accessible on all library computers.

"I love working for the library because I love seeing the light in children's faces as they discover a love for books. During storytimes, there have been times when I'll introduce a book that a child is familiar with and the excitement they show is priceless. Also, I love having children ask me for books related to a project after a craft session and get excited about starting that book." –Tiffany Willis, children's library associate, Suburban Acres Library

## OUR DIGITAL APPS

"I use my library card to check out e-books! It saves me money and provides me with lots of good books." – Pennie E.

"I find the digital library wonderful. When a book I want isn't available in digital format, my hold times for it aren't extensive. The librarians are always friendly and helpful." – Christi H.

"Arthritis in my hands prevents me from reading in bed before I sleep (a lifelong habit) because I can't grasp a paper book. E-books allow me to place my tablet on a stand and read hands-free. Perfection!" – Beth R.

"[The library] is THE ONLY place I can get large-print books for my mom. Online is nice, but I prefer going in to pick them out for her. She can't do digital." – Elaine S.

"We make a weekly trip where we check out 40 books on average so we can have enough material for the week." – Irene I.

"My holds list is always full and I always have multiple books checked out. The audiobooks have been a savior with my drives! Love the Libby app!" – Micaela S.

Explore **digital apps** like Hoopla and Libby to enjoy e-books, movies, TV and audiobooks anytime, anywhere. Learn more or get started at [www.tulsalibrary.org/digital](http://www.tulsalibrary.org/digital).

"I really love connecting customers with the books they want to read or the information they need to have. I also love being able to do that in digital formats so they can have access to new titles 24/7, whenever they need something new to read! Knowing that people have access to books and other information that is fun, helpful and interesting is my favorite part of my job."  
– Sarah Peterson, systemwide products director, collection management

"I always have a book checked out, either a physical copy or an e-book, and I read every day even if just for a few minutes. So, I benefit from the library daily." – Rachel B.

"We moved from a small town and enjoy the overwhelming amount of books and resources now available to us as a homeschooling family." – Miriam M.

## OUR VAST COLLECTIONS

**Browse** books, DVDs, music or audiobook CDs, newspapers, magazines and more in person at any TCCL location.

Explore the catalog at [www.tulsalibrary.org/books-music-movies](http://www.tulsalibrary.org/books-music-movies) to find more content or place items on hold and have them delivered to a TCCL branch near you.

"I use the library to get the newest books without having to purchase them. I just love to read and the library." – Denise B.

## TCCL customers LOVE... ACHIEVING THEIR GOALS

Jasmine Edmundson has been using the library for books since she was a kid, and now she brings her children in to check out items and use the computers. Lately, however, she's been using the library for something else: to earn her high school diploma.

Edmundson had wanted to achieve this goal but didn't have the time or means ... until she discovered Excel High School, an online program that offers selected applicants the opportunity to earn their diploma remotely and for free.

"Being able to be at home and work on my assignments to complete my diploma was excellent because I don't always have the time to go take classes," said Edmundson.

A driven and self-sufficient individual, Edmundson said it was important for her to receive her diploma because she wanted to show her children that anything is possible and to never give up. "I've always wanted to be a nurse or teacher, and now I'm finally taking those steps. I have enrolled in TCC in the nursing program, and I have now received a higher paying job because I have my diploma."

### CONGRATULATIONS, JASMINE!

Need writing  
inspiration?

Get it here from bestselling  
author Steve Sheinkin!

We asked Steve why he loves writing and  
what he does when writer's block hits.

"Being a writer is by far the best job I've ever  
had — and I've had a lot of jobs! I get to pick my  
own book projects, and my research takes me  
all over the country, and beyond, sometimes.

"Sure, writing is hard work. Sometimes I get  
stuck. What I've found is that whether it's  
fiction or nonfiction, serious or funny, the  
important thing is the story. You don't need  
fancy language. Just find (or make up) a  
story YOU care about — and tell it!"

# Customers L♥VE Books To Treasure!

"I went as an adult when Mo Willems was the author because I was a first-grade teacher, and he was my and my student's favorite author! I was pregnant with my son, who still has and reads the book I got autographed."

Pictured here is Liz, who took one of her students to meet the 2012 Books To Treasure illustrator, Mo Willems.

Since 2003, Books To Treasure has helped Tulsa County celebrate the beauty and power of children's literature annually in November. We're celebrating its 20th anniversary with memories shared by YOU!

Through Books To Treasure, Tulsa County second graders make positive, lasting memories related to reading through a free copy of a treasured illustrator's book, and the chance to meet that illustrator and receive a special library card with their artwork.

¡FEBRERO ES UNA GRAN EXCUSA PARA CELEBRAR EL AMOR!  
ESTE MES, TE PREGUNTAMOS QUÉ TE ENCANTA DE LA BIBLIOTECA.

**A los clientes de TCCL les ENCANTA ...**

RESERVAR LIBROS

A Courtney S. le encanta "la capacidad de solicitar y recoger libros. ¡Algo que hace la vida un poco más fácil!"

"¡ME ENCANTA el sistema de retención! ¡Estoy tan increíblemente agradecida por poder reservar libros! También me encanta poder llevar a mis hijos y obtener muchos libros para leer con nuevas historias, ideas, imágenes y amigos que son diferentes a los que tenemos en casa. Específicamente, [estoy] agradecida por las renovaciones automáticas y la eliminación de los cargos por pagos atrasados." – Katie B.

A Beck S. también le encanta "poder poner libros en espera y luego recogerlos en la biblioteca de mi casa. ¡Qué fantástico!"

"Me encanta ayudar a la gente, y la biblioteca me brinda oportunidades ilimitadas para cumplir ese deseo. Se siente tan bien ser parte de algo más grande que yo. Vuelvo a casa todos los días sabiendo que he agregado valor al mundo. Esa es la experiencia que obtienes cuando trabajas en la biblioteca de la ciudad y el condado de Tulsa." – John Anderson, gerente de instalaciones

Haz que cualquier artículo de nuestra colección se te envíe a tu biblioteca más cercana al hacer una reserva. Primero, inicia sesión en tu cuenta TCCL en [www.tccl.bibliocommons.com/user](http://www.tccl.bibliocommons.com/user). Busca un artículo en el catálogo y luego selecciona el botón verde de **Reservar**. Asegúrese de seleccionar la ubicación correcta de la biblioteca en el menú de **Recoger** y luego haz clic en el botón rojo de **Reservar** para confirmar tu elección.

Meredith M. lleva a sus nietas a la biblioteca varias veces a la semana porque "les encanta la hora del cuento, los programas, sacar libros y jugar."

Mandy N. usa la biblioteca todos los días para "libros para bebés, libros ilustrados, libros de capítulos, DVDs, películas en Hoopla, libros electrónicos, audiolibros" y más.

Todas las sedes de TCCL cuentan con secciones de libros infantiles. Si necesita ayuda para encontrar el tipo de libros correctos para su hijo, solo pregúntele a un miembro del personal.

Para encontrar contenido digital o reservar artículos para niños, visite el catálogo en [www.tulsalibrary.org](http://www.tulsalibrary.org) o explore aplicaciones digitales como BookFlix en [www.tulsalibrary.org/digital](http://www.tulsalibrary.org/digital).

Encuentra eventos para cualquier grupo de edad. Consulta la sección para niños de esta guía de eventos o búsquelos en línea en [www.tulsalibrary.org/events](http://www.tulsalibrary.org/events). Incluso puede filtrar eventos por grupo de edad o por tipo de evento, como "hora del cuento."

Cada ubicación de TCCL tiene un área designada para actividades y enriquecimiento de los niños. AWE Early Literacy Computers ofrece equipo de computadora educativo para lectores jóvenes en las bibliotecas Bixby, Central, Charles Page, Kendall-Whittier, Martin Regional, Nathan Hale, Owasso, Rudisill Regional, Suburban Acres, Schusterman-Benson y Zarrow Regional, y juegos educativos a través de ABC Mouse son accesibles en todas las computadoras de la biblioteca.

LIBROS Y ACTIVIDADES PARA NIÑOS

Alice A. ama "la gran selección de libros para niños. ¡Me encanta para mis hijos y también para mi salón de clases!"

A Sharon S. le encanta "tener un lugar libre para llevar a los niños a un enriquecimiento tranquilo (¡y a veces cosas emocionantes!)."

Allison S. también ama "el ambiente divertido para los niños."

"Me encanta trabajar para la biblioteca porque me encanta ver la luz en los rostros de los niños cuando descubren su amor por los libros. Durante la hora del cuento, ha habido ocasiones en las que presento un libro con el que un niño está familiarizado y la emoción que muestran es No tiene precio. Además, me encanta que los niños me pidan libros relacionados con un proyecto después de una sesión de manualidades y me emociona comenzar con ese libro." – Tiffany Willis, asociada de biblioteca infantil, Biblioteca Suburban Acres

# NUESTRAS APLICACIONES DIGITALES

"¡Uso mi tarjeta de la biblioteca para sacar libros electrónicos! Me ahorro dinero y me proporciona muchos libros buenos." – Pennie E.

"La biblioteca digital me parece maravillosa. Cuando un libro que quiero no está disponible en formato digital, mis tiempos de espera no son extensos. Los bibliotecarios siempre son amables y serviciales." – Christi H.

"La artritis en mis manos me impide leer en la cama antes de dormir (un hábito de toda la vida) porque no puedo agarrar un libro de papel. Los libros electrónicos me permiten colocar mi tableta en un soporte y leer con las manos libres. ¡Perfección!" – Beth R.

"Mi lista de reservas siempre está llena y siempre tengo varios libros prestados. ¡Los audiolibros han sido un salvador para mis viajes! ¡Me encanta la aplicación Libby!" – Micaela S.

"Nos mudamos de un pueblo pequeño y disfrutamos de la abrumadora cantidad de libros y recursos disponibles para nosotros como familia que educa en el hogar." – Miriam M.

"[La biblioteca] es EL ÚNICO lugar donde puedo conseguir libros en letras grandes para mi mamá. En línea es bueno, pero prefiero ir a buscarlos para ella. No puede hacerlo en formato digital." – Elaine S.

"Hacemos un viaje semanal donde sacamos 40 libros en promedio para tener suficiente material para la semana." – Irene I.

"Siempre tengo un libro prestado, ya sea una copia física o un libro electrónico, y leo todos los días, aunque solo sea por unos minutos. Entonces, me beneficio de la biblioteca todos los días." – Raquel B.

"Realmente me encanta conectar a los clientes con los libros que quieren leer o la información que necesitan. ¡También me encanta poder hacerlo en formato digital para que puedan tener acceso a nuevos títulos las 24 horas del día, los 7 días de la semana, siempre que necesiten algo nuevo para leer! Saber que las personas tienen acceso a libros y otra información que es divertida, útil e interesante es mi parte favorita de mi trabajo." – Sarah Peterson, directora de productos de todo el sistema, manejo de colecciones

# A los clientes de TCCL les ENCANTA LOGRAR SUS OBJETIVOS

Jasmine Edmundson ha estado usando la biblioteca para libros desde que era una niña, y ahora trae a sus hijos para que saquen artículos y usen las computadoras. Últimamente, sin embargo, ha estado usando la biblioteca para otra cosa: para obtener su diploma de escuela secundaria.

Edmundson había querido lograr este objetivo, pero no tenía el tiempo ni los medios... hasta que descubrió Excel High School, un programa en línea que ofrece a los solicitantes seleccionados la oportunidad de obtener su diploma de forma remota y gratuita. "Poder estar en casa y trabajar en mis tareas para completar mi diploma fue excelente porque no siempre tengo tiempo para tomar clases," dijo Edmundson.

Una persona motivada y autosuficiente, Edmundson dijo que era importante para ella recibir su diploma porque quería mostrarles a sus hijos que todo es posible y que nunca se den por vencidos. "Siempre quise ser enfermera o maestra, y ahora finalmente estoy dando esos pasos. Me inscribí en TCC en el programa de enfermería y ahora he recibido un trabajo mejor pagado porque tengo mi diploma."
