WHY TULSA LOVES ITS LIBRARY
Get a Library Card Today!
With a TCCL card, you get access to a wealth of services and resources, including more than 1 million books, e-books and e-audio materials. Pictured here, Jackie Kropp, manager of TCCL’s Literacy, Outreach and Volunteer Services (LOVS), invites you to become a TCCL cardholder and fall in love with the library!
All TCCL locations have sections for children’s books. If you need help finding the right type of books for your child, just ask a staff member. To find digital content or to place holds on children’s items, visit the catalog at www.tulsalibrary.org or explore digital online content like BookFlix at www.tulsalibrary.org/digital.

Find events for any age group. Check the children’s section of this event guide or browse them online at www.tulsalibrary.org/events. You can even filter events by age group or by event type, like “storytime.”

Every TCCL location has a designated area for children’s activities and enrichment. AWE Early Literacy Computers offer educational software for young readers at the Bixby, Central, Charles Page, Kendall-Whittier, Martin Regional, Nathan Hale, Owasso, Rudisill Regional, Suburban Acres, Schusterman-Benson and Zarrow Regional libraries, and educational games through ABC Mouse are accessible on all library computers.

“I love working for the library because I love seeing the light in children's faces as they discover a love for books. During storytimes, there have been times when I’ll introduce a book that a child is familiar with and the excitement they show is priceless. Also, I love having children ask me for books related to a project after a craft session and get excited about starting that book.” — Tiffany Willis, children’s library associate, Suburban Acres Library

“I love helping people, and the library gives me limitless opportunity to fulfill that desire. It feels so great to be part of something bigger than me. I go home every day knowing I have added value to the world. That’s the experience you get when you work at the Tulsa City-County Library.” — John Anderson, facilities manager

Jasmine Edmundson has been using the library for books since she was a kid, and now she brings her children in to check out items and use the computers. Lately, however, she’s been using the library for something else: to earn her high school diploma. Edmundson had wanted to achieve this goal but didn’t have the time or means … until she discovered Excel High School, an online program that offers selected applicants the opportunity to earn their diploma remotely and for free. “Being able to be at home and work on my assignments to complete my diploma was excellent because I don’t always have the time to go take classes,” said Edmundson. A driven and self-sufficient individual, Edmundson said it was important for her to receive her diploma because she wanted to show her children that anything is possible and to never give up. “I’ve always wanted to be a nurse or teacher, and now I’m finally taking those steps. I have enrolled in TCC in the nursing program, and I have now received a higher paying job because I have my diploma.”

Congratulations, Jasmine!

Este mes, te preguntamos qué te ENCANTA de la biblioteca.
¡Me encanta la aplicación salvador para mis viajes! Los audiolibros han sido un hito en mi vida, me permiten estar en contacto con nuevas personas y lugares. Mi lista de reservas siempre está llena y mi mamá me admira por mi dedicación a la lectura. 

“La biblioteca digital me parece maravillosa. Cuando un libro que quiero no está disponible en formato digital, mis tiempos de espera no son extensos. Los bibliotecarios siempre son amables y serviciales.” – Christi H.

“Realmente me encanta conectar a los clientes con los libros que quieren leer o la información que necesitan. También me encanta poder hacerlo en formato digital para que puedan tener acceso a nuevos títulos las 24 horas del día, los 7 días de la semana, siempre que necesiten algo nuevo para leer! Saber que las personas tienen acceso a libros y otra información que es divertida, útil e interesante es mi parte favorita de mi trabajo.” – Sarah Peterson, directora de productos de todo el sistema, manejo de colecciones.

“La artritis en mis manos me impide leer en la cama antes de dormir (un hábito de toda la vida) porque no puedo agarrar un libro de papel. Los libros electrónicos me permiten colocar mi tableta en un soporte y leer con las manos libres. ¡Perfección!” – Beth R.

“Hacemos un viaje semanal donde sacamos 40 libros en promedio para tener suficiente material para la semana.” – Irene I.

“Siempre tengo un libro prestado, ya sea una copia física o un libro electrónico, y leo todos los días, aunque solo sea por unos minutos. Entonces, me beneficio de la biblioteca todos los días.” – Raquel B.

“El amor es el poder de la fe, la voluntad del espíritu y la intención del corazón.” – Constantino Brancati

“Nos mudamos de un pueblo pequeño y disfrutamos de la biblioteca digital. Mi mamá. En línea es posible y que nunca se den por vencidos. “Siempre quise ser enfermera y tener la oportunidad de obtener su diploma porque quería mostrarles a sus hijos que todo es posible y que nunca se den por vencidos.” – Sarah Peterson, directora de productos de todo el sistema, manejo de colecciones.

“La biblioteca es EL ÚNICO lugar donde puedo conseguir libros en letras grandes para mi mamá. En línea es bueno, pero prefiero ir a buscarlos para ella. No puede hacerlo en formato digital.” – Elaine S.

“Hoy, con la Biblia Digital de la Biblioteca TCCL, puedo conseguir libros para una variedad de need. Hacer un viaje semanal donde sacamos 40 libros en promedio para tener suficiente material para la semana. Entonces, me beneficio de la biblioteca todos los días.” – Irene I.

“A los clientes de TCCL les ENCANTA LOGRAR SUS OBJETIVOS

Jasmine Edmundson ha estado usando la biblioteca para libros desde que era una niña, y ahora trae a sus hijos para que saquen artículos y usen las computadoras. Últimamente, sin embargo, ha estado usando la biblioteca para una cosa: para obtener su diploma de escuela secundaria.

Edmundson había querido lograr este objetivo, pero no tenía el tiempo ni los medios... hasta que descubrió Excel High School, un programa en línea que ofrece a los solicitantes seleccionados la oportunidad de obtener su diploma de manera remota y gratuita. “Poder estar en casa y trabajar en mis tareas para completar mi diploma fue excelente porque no siempre tengo tiempo para tomar clases,” dijo Edmundson.

Una persona motivada y autosuficiente, Edmundson dijo que era importante para ella recibir su diploma porque quería mostrarles a sus hijos que todo es posible y que nunca se den por vencidos. “Siempre quise ser enfermera y no siempre tengo tiempo para tomar clases.” – Jasmine Edmundson.
