CHECK OUT YOUR HEALTH AT THE LIBRARY

Your mental and physical wellness are key to improving your life in the present and for taking preventative measures against illness and disease. Lifestyle changes are difficult, and finding the right health information can be a challenge ... but we have resources and services that can help, so come CHECK OUT your health at the library!

Yoga for Every Body is a beginner-friendly class held at Central Library each Tuesday from 6-7 p.m. Adults new to or experienced with yoga are invited to get in touch with their body and mind during this hour of physical movement and spiritual attention.

Health issues are easier to understand when you have accurate, easy-to-use information about them, and as a result, they become easier to address. These free online resources can help you take control of your health:

- **Salem Health** offers e-reading materials on topics like addictions and substance abuse, adolescent health and wellness, psychology, nutrition and more. Each category includes information on causes, risk factors, screening and diagnosis, treatment and therapy, prevention and further reading.
- **Medline Plus** is a free online resource with information on health topics, drugs, directories and dictionaries to help you find the health info you need. Use it to explore recipes and healthy eating, the benefits of exercise, herbal medicine, dental health, mental health and more.
- Find both resources in the alphabetical list at www.tulsalibrary.org/databases.

“More health resources are available than ever before, but it is often difficult to know which ones to trust. TCCL's Research Center can help you find reliable, up-to-date information on nearly any health-related topic. Having credible, current health resources at your fingertips will empower you to make the best choices for yourself and your family.”
- Allison Embry-Saenz, Central Library assistant manager - Research Services

Yoga for Every Body is a beginner-friendly class held at Central Library each Tuesday from 6-7 p.m. Adults new to or experienced with yoga are invited to get in touch with their body and mind during this hour of physical movement and spiritual attention.

“I began yoga for the physical benefits and continued to practice for the psychological benefits I receive. It is a wonderful opportunity to slow life down and be mindful about our choices.”
- Beth Richmond, Yoga for Every Body instructor

“Get physical at TCCL locations! Maxwell Park Library and Herman and Kate Kaiser Library are located by parks, so budget in some walking time on your next visit. At the Judy Z. Kishner Library, walking trails wind through the surrounding landscape. Explore the paths next time you pick up holds!”

**CONSULTA TU SALUD EN LA BIBLIOTECA**

Su bienestar mental y salud física son clave para mejorar su vida y para tomar medidas preventivas contra enfermedades y malestares. Los cambios en el estilo de vida son difíciles y encontrar la información de salud correcta puede ser un desafío... pero tenemos recursos y servicios que pueden ayudar, así que venga a CHECAR su salud en la biblioteca!

“Comencé yoga por los beneficios físicos y continué practicando por los beneficios psicológicos que recibí. Es una oportunidad maravillosa para reducir la velocidad de la vida y ser conscientes de nuestras decisiones.”

– Beth Richmond, Instructora de Yoga for Every Body

Yoga for Every Body es una clase para principiantes que se lleva a cabo en la Biblioteca Central todos los martes de 6 a 7 p.m. Los adultos nuevos o experimentados en yoga están invitados a ponerse en contacto con su cuerpo y mente durante esta hora de movimiento físico y atención/concentración espiritual.

“Hay más recursos de salud disponibles que nunca, pero a menudo es difícil saber en cuáles confiar. El Centro de investigación de TCCCL puede ayudarlo a encontrar información confiable y actualizada sobre casi cualquier tema relacionado con la salud. Tener recursos de salud creíbles y actualizados al alcance de su mano le permitirá tomar las mejores decisiones para usted y su familia.”

– Allison Embry-Saenz, gerente, Servicios de Investigación de la Biblioteca Central

Los problemas de salud son más fáciles de entender cuando se tiene información precisa y fácil de usar sobre ellos y, como resultado, se vuelven más fáciles de arreglar. Estos recursos gratuitos en línea pueden ayudarlo a tomar el control de su salud:

- **Salem Health** ofrece materiales de lectura en línea gratuito sobre temas como adicciones y abuso de sustancias, salud y bienestar de los adolescentes, psicología, nutrición y más. Cada categoría incluye información sobre causas, factores de riesgo, detección, diagnóstico, tratamiento y terapia, prevención y lecturas adicionales.

- **Medline Plus** es un recurso en línea gratuito con información sobre temas de salud, medicamentos, directorios y diccionarios para ayudarlo a encontrar la información de salud que necesita. Uselo para explorar recetas y alimentación saludable, los beneficios del ejercicio, la medicina herbal, la salud dental, la salud mental y más.

- **Encuentre ambos recursos en la lista alfabética de [www.tulsalibrary.org/databases](http://www.tulsalibrary.org/databases).** Descubra recursos de salud adicionales aquí: [www.tulsalibrary.org/consumer-health-information](http://www.tulsalibrary.org/consumer-health-information).

- **¡Hagamos ejercicio en otros lugares también!**

  - Maxwell Park Library y Herman and Kate Kaiser Library están ubicados cerca de los parques, así que ahorre algo de tiempo para caminar en su próxima visita. En la Biblioteca Judy Z. Kishner, los senderos para caminar serpentean a través del paisaje. ¡Explora los caminos la próxima vez que recojas tus libros!

¡Echa un vistazo a las semillas con tu tarjeta de la biblioteca! Nuestra biblioteca de semillas ofrece una colección de plantas con fríojos y comestibles que puede llevarse a casa y cultivar. Use la Biblioteca de semillas para reponer el verde en su vida y luego ayude a reponer nuestra colección devolviendo las semillas guardadas a la biblioteca. Encuentre recursos sobre cómo guardar semillas y jardinería aquí: www.tulsalibrary.org/food-and-gardening

“La jardinería es una actividad física, mental y, a menudo, social que se ha demostrado que reduce el estrés y el riesgo de algunas enfermedades, y mejora el estado de ánimo. Cultivar plantas para la belleza o la nutrición puede ayudarlo a sentirse seguro y fuerte.”

= Johanna Burton, asociada de la Biblioteca Central y fundadora de la Biblioteca de Semillas

¿No puede viajar a un médico? ¿No tienes la capacidad de realizar citas virtuales en casa? La nueva cabina de telesalud en la Biblioteca Central puede ayudarlo a conectarse con un médico de forma remota.

La cabina que cumple con ADA, incluye acceso a computadoras con monitores duales y una mesa ajustable, insonorización y vidrio esmerilado para garantizar la privacidad, y una variedad de equipos médicos básicos a pedido, así como filtración HEPA y prácticas avanzadas de desinfección para garantizar un ambiente seguro. Para reservar tiempo en la cabina de telesalud y encontrar detalles, visite www.tulsalibrary.org/telehealth.

Además, obtenga un control gratuito de la presión arterial en la Biblioteca Broken Arrow el jueves 13 de abril y controle su salud mental en los eventos Be Kind to Your Mind el jueves 13 y 27 de abril en la Biblioteca Central. Encuentre detalles en la sección de Adults & All Ages de esta guía.

Para disfrutar de excelente salud, necesitamos un equilibrio entre la salud física y mental. Para leer el artículo completo, visite www.tulsalibrary.org/mi-biblioteca o escanee el código QR.
