EPIC MAN VOL.2

After Epic Man was welcomed to the team, the alarm sounded.

And Sick Justice tells Epic Man that the villain Molten has escaped The Hill.

As everyone suited up, Teen Bolt told Epic Man about his brother, Molten.

As the team went to confront Molten, Teen Bolt is thinking of how he'll defeat his brother again.

Molten was overpowered, and defeated every member except for Teen Bolt and Epic Man.

So Epic Man and Teen Bolt combined their powers, took Molten to the sky and defeated him.

While everyone tended to their wounds, Toxic questions Teen Bolt's loyalty to Sick Justice.

THE END?
