## Maker Space and 3D printers

Bring your ideas to life with equipment in the Maker Space. Turn holiday-themed designs into stencils with the vinyl cutter and then use the screen printer to put them on totes or T-shirts. Use the laser engraver to customize wooden ornaments or fashion monogrammed key chains. Darn festive stockings on one of the sewing machines or record your very own holiday song in the Audio Lab.

3D printers are available to use at the Maker Space in Central Library and at Hardesty, Martin, Rudisill and Zarrow regional libraries. Use these printers to create custom-made gifts, like personalized picture frames in which to showcase family memories, intricate ornaments for your Christmas tree or special dreidels for Hanukkah.

Orientations are required to use the Maker Space and any 3D printer. 3D printing costs are 10 cents per gram of material printed, or you may bring your own filament. Maker Space equipment is free to use, but you must provide your own supplies. Learn more at [www.tulsalibrary.org/makerspace](http://www.tulsalibrary.org/makerspace) or call 918-549-7442.

# Digital Literacy Lab

Digitize your family photos by converting them to updated formats and then use them creatively in personalized gifts. Design a digital holiday card that incorporates clips from home movies or nostalgic family photos. Dream up a movie poster featuring your own family, or make photo

collages of your favorite holiday memories and print and place them in a unique 3D-printed picture frame.

Orientations are required and offered on Mondays at 11 a.m. and Thursdays at 6 p.m. in the lab. Learn more at [www.tulsalibrary.org/aep-foundation-digital-literacy-lab](http://www.tulsalibrary.org/aep-foundation-digital-literacy-lab).

Una guía mensual de eventos, servicios y recursos de la Biblioteca de la Ciudad y Condado de Tulsa

## Creando Memorias

Escrito por Ana Davis, asistente bilingüe de servicio al cliente, Biblioteca Regional Martin

Este año se fue muy rápido, y así como si nada, illego la época navideña nuevamente! una de las más lindas del año. No solo es una de las temporadas más bonitas, si no también una de las más estresantes para muchos, para otros es el mejor momento para crear recuerdos con sus familias y amigos más cercanos. Recuerda que esta temporada, a pesar de que todo nos empuja a comprar y caer en el consumismo también es una época para celebrar en familia y crear memorias,

también tienes la oportunidad de hacer una nueva lista de resoluciones y nuevos propósitos para el nuevo año 2024.

En el mes de diciembre, el espíritu navideño se apodera de los hogares que festejan la Navidad, y el ir de compras se convierte en una pesadilla para muchos. Para muchos el crear o hacer algo a mano para alguien en especial es mucho más valioso. Las festividades de navidad empiezan con el día de acción de gracias ya que en muchos hogares ese día decoran la casa y el árbol de navidad en familia.

Si tienes hijos de cualquier edad en tu casa durante esta temporada, te invitamos a ser parte de nuestros eventos en **TCCL**, donde encontraras desde actividades para adultos, adolescentes y niños. Por ejemplo; si quieres crear tus propias tarjetas navideñas este 4 de diciembre en **la biblioteca Central** se llevará este evento para adultos, también en **la**

**biblioteca de Skiatook** podrás crear adornos con tinta de alcohol este se llevará a cabo el 7 de diciembre y si no puedes asistir a ninguno de estos dos eventos el 18 de diciembre en **la biblioteca Zarrow** aquí podrás crear tu propia escena invernal en lata. Estos eventos son para adultos.

Ahora si lo que quieres es crear bonitos recuerdos con toda la familia, te invitamos el 5 de diciembre a **la biblioteca Zarrow** donde se reunirán para el taller de decoración de galletas, el 15 de diciembre se llevará a cabo una noche con el grinch en **la biblioteca Jenks**, el 20 de diciembre en **la biblioteca Kendall-Whittier** podrás crear tus propias manualidades navideñas, todos estos eventos son para toda la familia.

Si lo que tienes en mente es crear algo especial el **Digital Literacy Lab** donde puedes digitalizar fotos y videos para alguien en especial, solo tienes que tomar una clase

de orientación antes de empezar, durante el mes de diciembre **Digital Literacy Lab** tendrá varias fechas de orientaciones, pero si lo que quieres es crear algo en 3D visita **el Maker Space** aparte de las Impresión 3D podrás hacer grabado láser, máquina de corte CNC, cortadora de vinilo, serigrafía, máquinas de coser, estaciones de soldadura y herramientas generales; todo esto esta en **la biblioteca Central**.

Puede ser que no son los regalos, ni las fiestas o las artesanías de lo que más se acuerden; quizás recordarán los momentos tranquilos y sencillos que pasan juntos en familia. Esta temporada, deja que cualquiera de las 24 bibliotecas que están en Tulsa county te ayuden a crear memorias con todos tus seres queridos, ¡recuerda checar la guía de eventos!

¡Felices fiestas y próspero año nuevo!
