

# BEIGE MAN

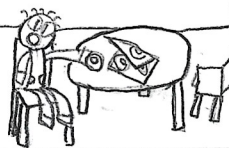

As strong as  
an average  
person

As fast as a  
scooter

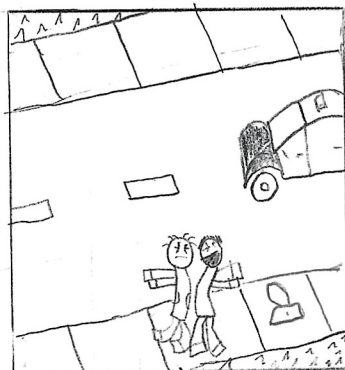

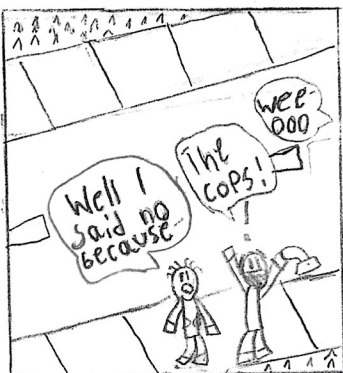

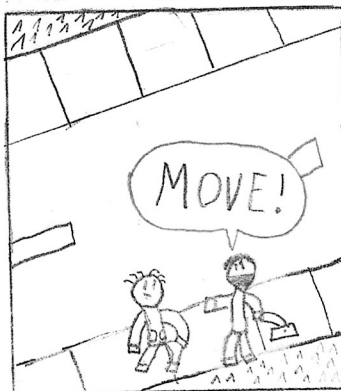

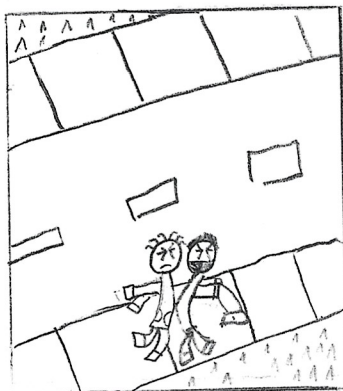

And able to  
eat five  
donuts in a  
single sitting

In a city  
wrought with  
crime and  
injustice, he is  
the one  
that stands  
between it  
and the forces  
of evil

It all started  
one day...

A few days later...

Breaking news!  
A supervillan is  
wrecking  
downtown

who will  
save us!

What about  
the army

they  
aren't  
returning  
our calls

Something about  
a robot taking  
over DC
