

Queen
Azura!

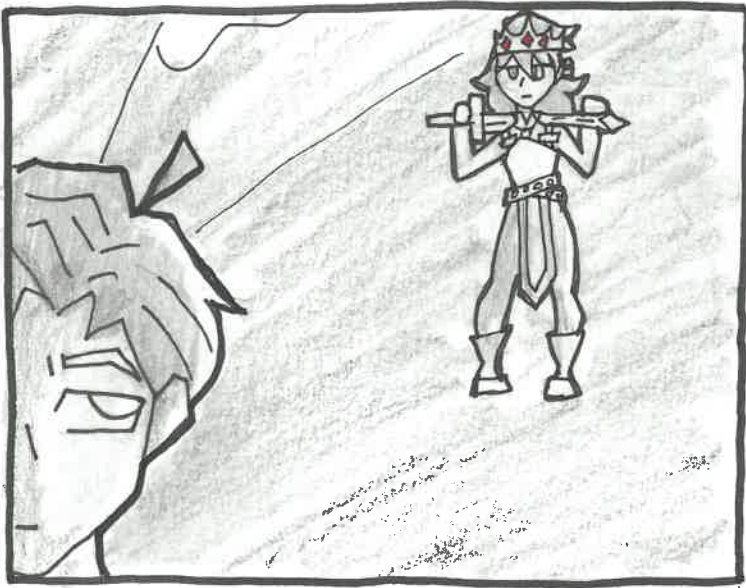

There has
been a breach
at the main
entrance to
the city! Lead
by...

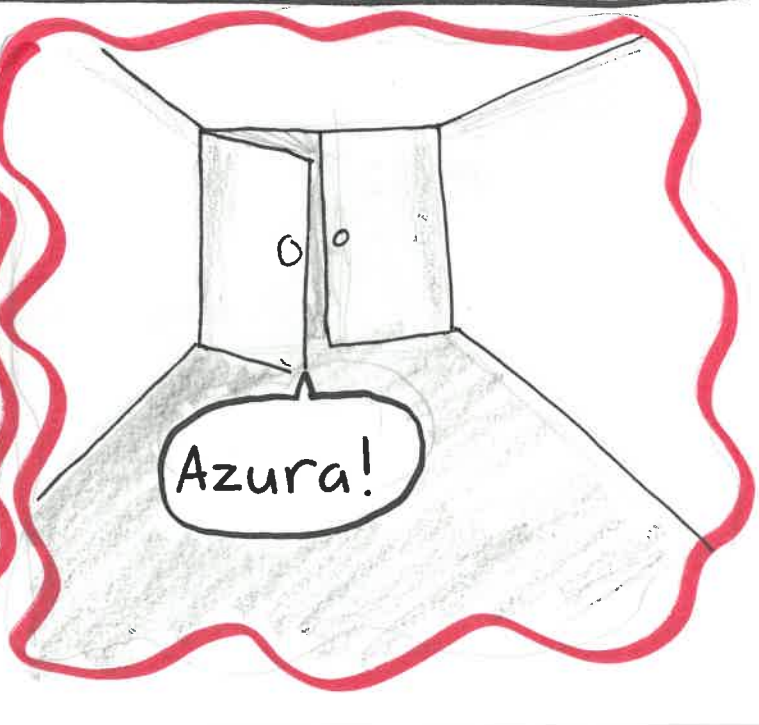

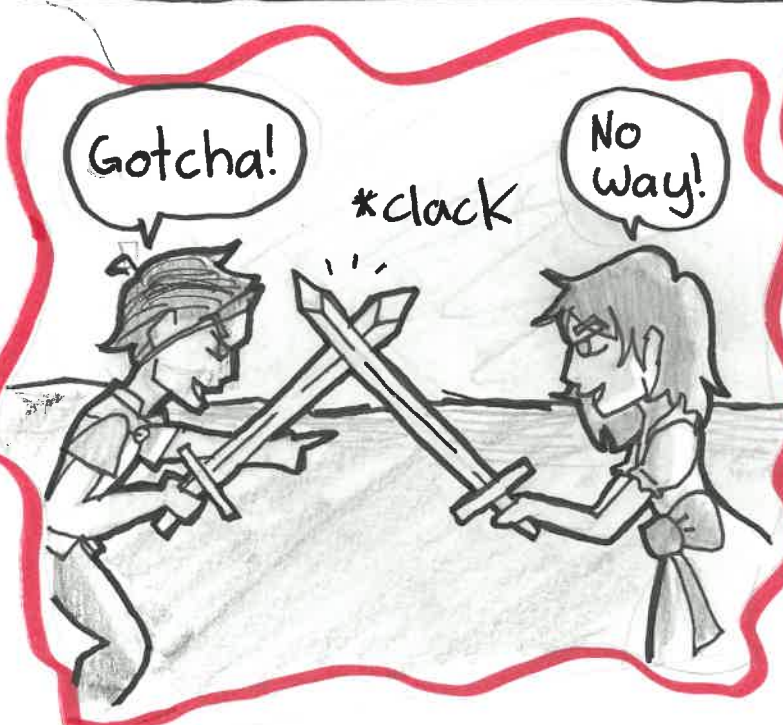

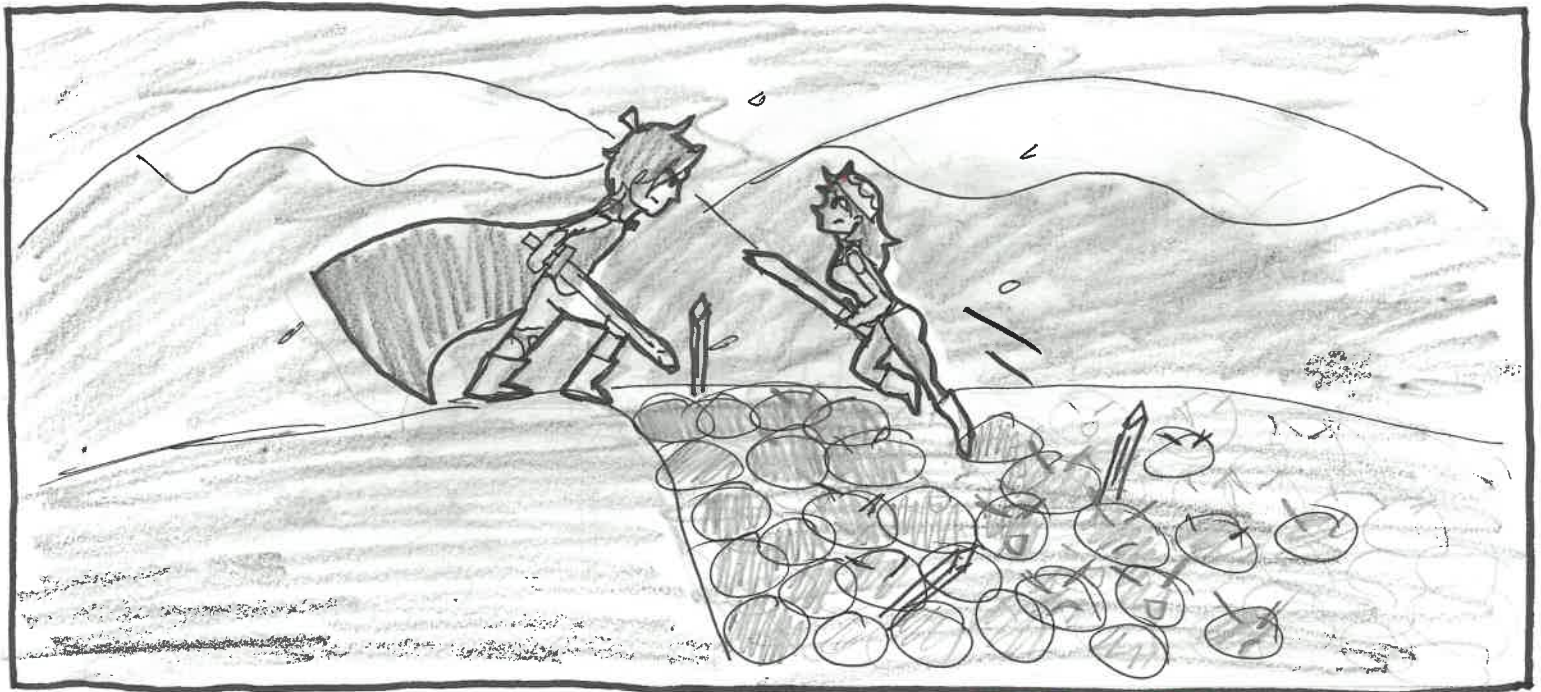

Your
Brother.

Lets
Finish
this.

Azura!

You always
did think
you were
better than
me.

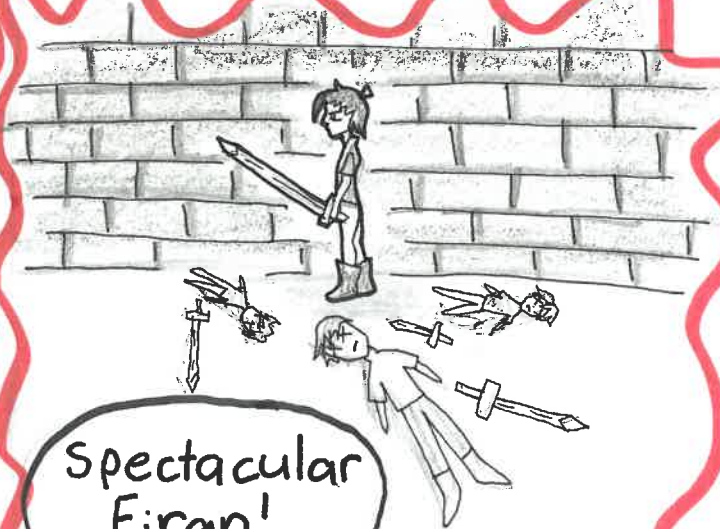

I am better! You are the
one ambushing the city!
NOT ME!

Good job defeating them Azura.

Spectacular Eiran!

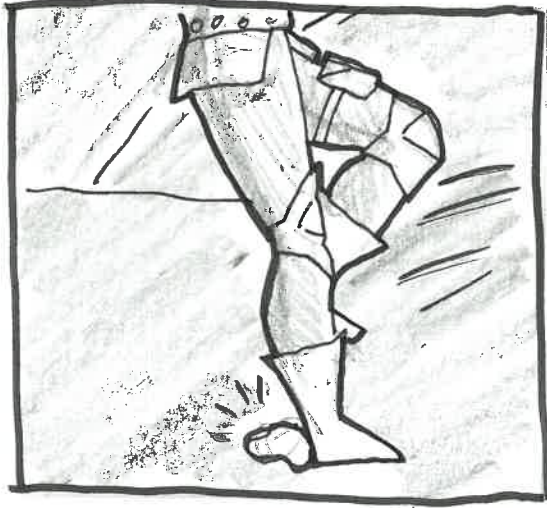

You always had to out do me!

Stop acting like
the victim!
You
ruined
my life!
I would've
been king!

Instead, I
was imprisoned

Asura...

Did you
kill him?

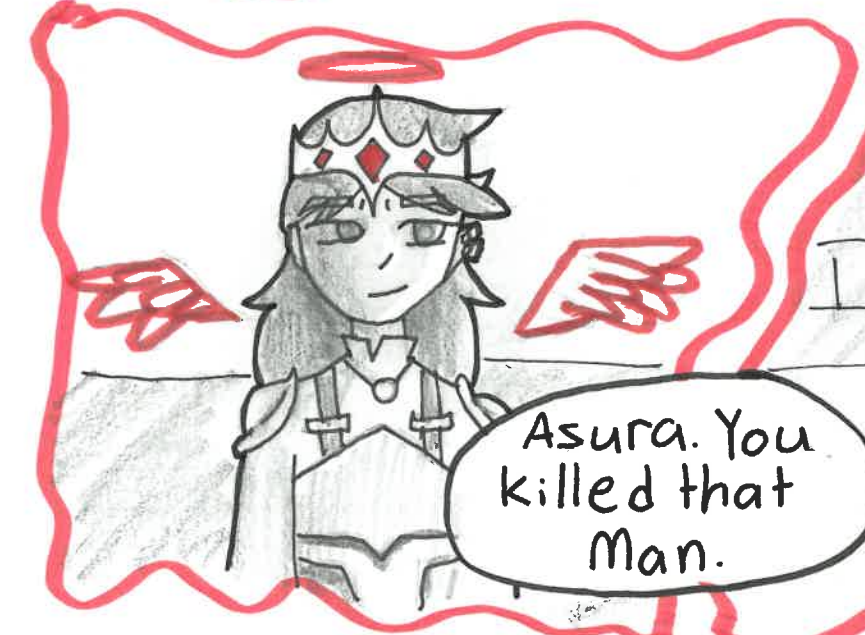

Eiran
killed
him

AZURA!

Asura. You
killed that
Man.

Now you are the
Queen
and I
am the
Villain.
Isn't that
funny?

I'm sorry.
For everything.

I've regretted
it ever since.
