

We live in an
Unfair World

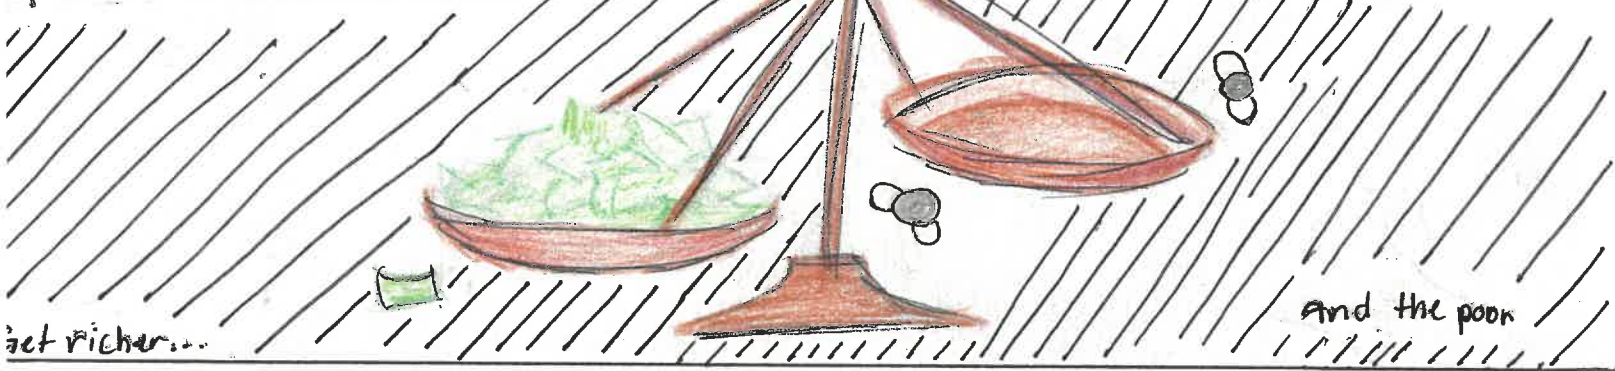

60-006/10-12

Filled with war,
Greed, filth, and
pain

A world in which the rich

Get poorer

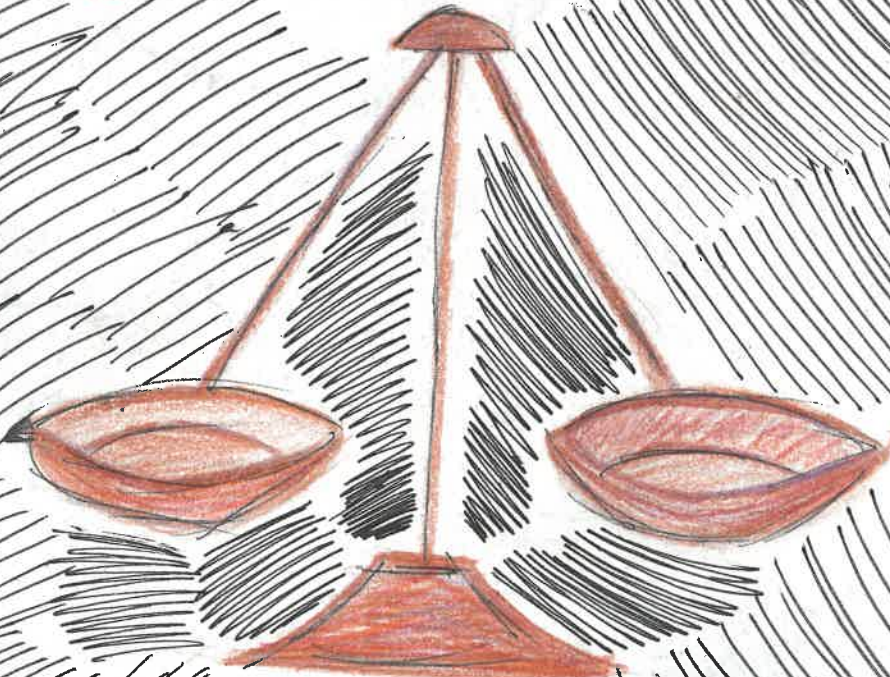

Get richer...

and the poor

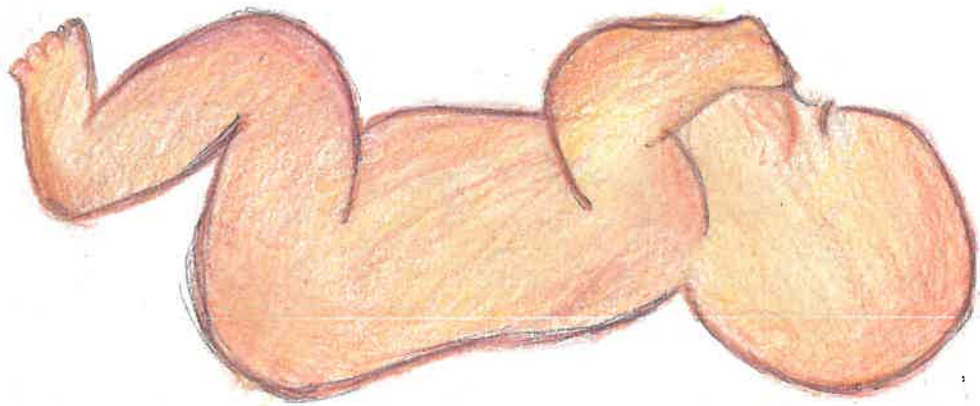

Well, we're here to make it

EVEN

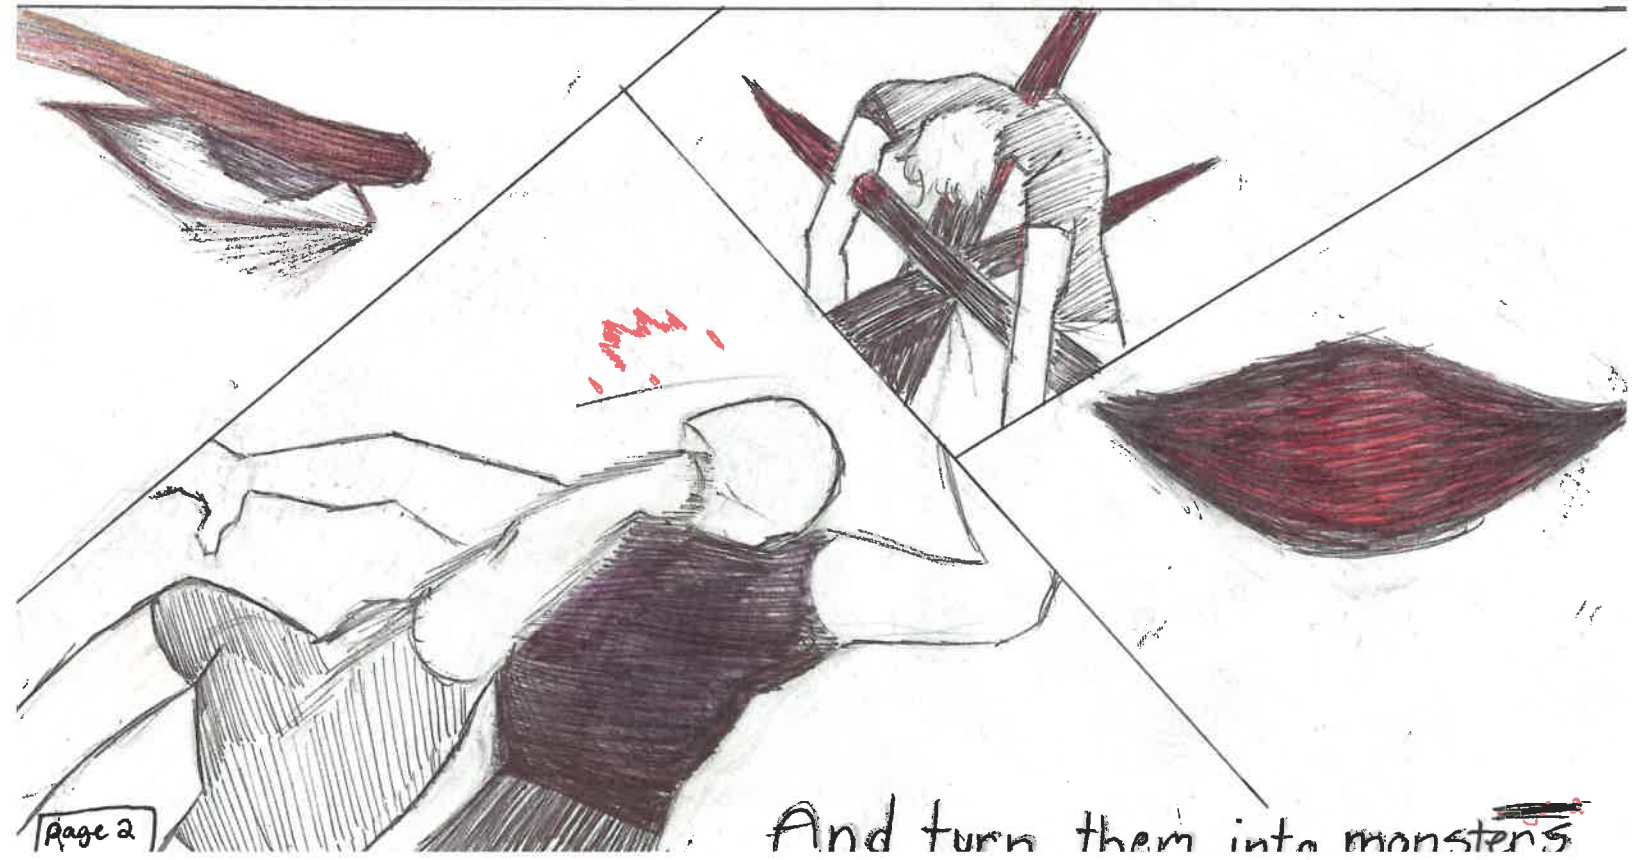

5-1-01/000-02

We take what / The Purest
they love most / forms of Life

Their Own Flesh and Blood.....

Three Big Four

Lumiere

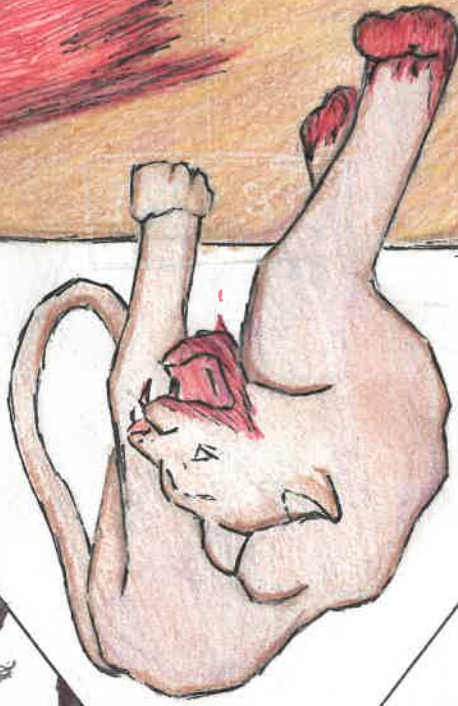

That's what we called them

SHADOW

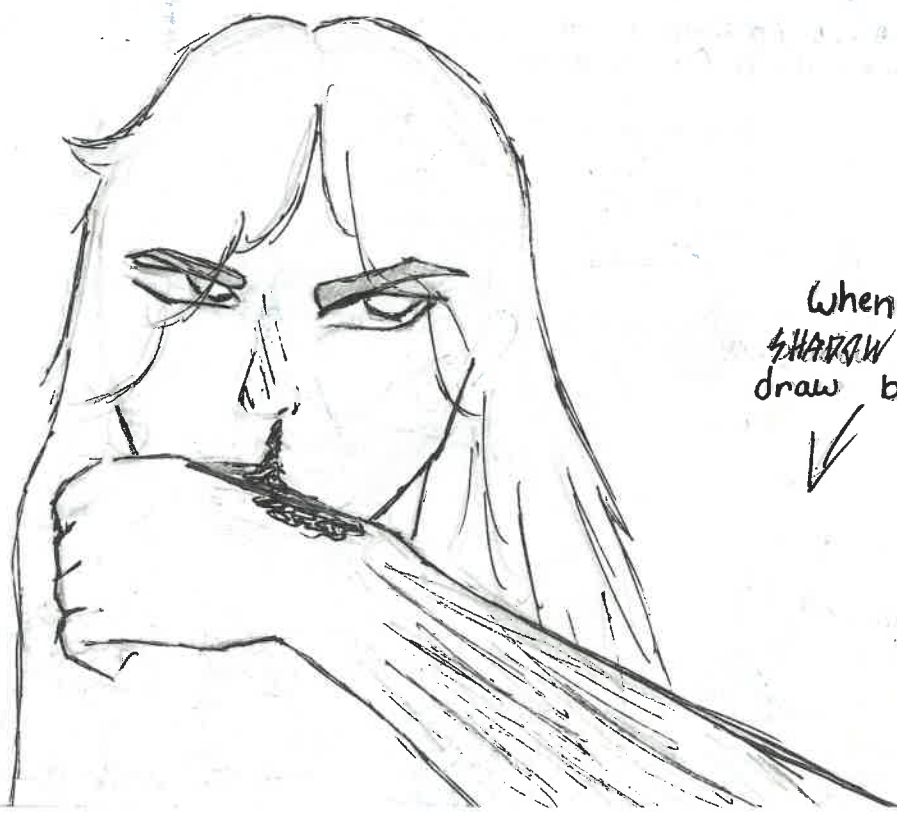

Fighter 4732-A

AGE: 14 y/o

SEX: Female

Power Name: Umbrakinesis
The ability to manipulate darkness & shadows

Fact: There are different variations of every power for every person. In SHADOW's case, her power is activated only by her blood. During battle, whilst others's weaken as they get hurt, SHADOW becomes stronger.

When the fight is taking too long, SHADOW will scratch her arms to draw blood and activate her power.

Fighter 4825-A

Age: 14 y/o

Sex: Male

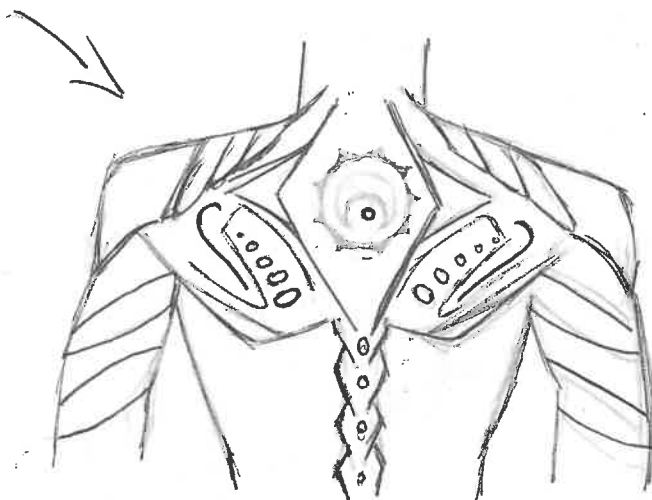

Power Name: Photokinesis.
The ability to manipulate light

Fact: What makes Lumiere's power unique to him, is that his eyes begin to glow as he uses it.

Lumiere

Lumiere was born with tattoos that act as a conductor for his power.

Beast

Fighter 5493 - A

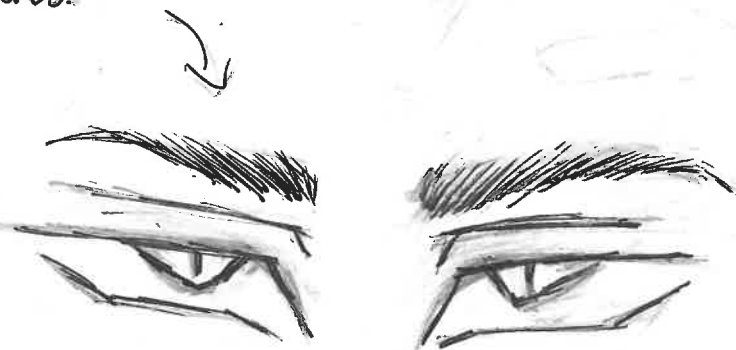

AGE: 15

SEX: Male

Power Name: Animal Transmutation
The ability to turn into any animal on command

Fact: Beast can unconsciously turn into any animal, primarily while he sleeps.

Even in his human form, Beast has animalistic features.

Fighter 2716-A

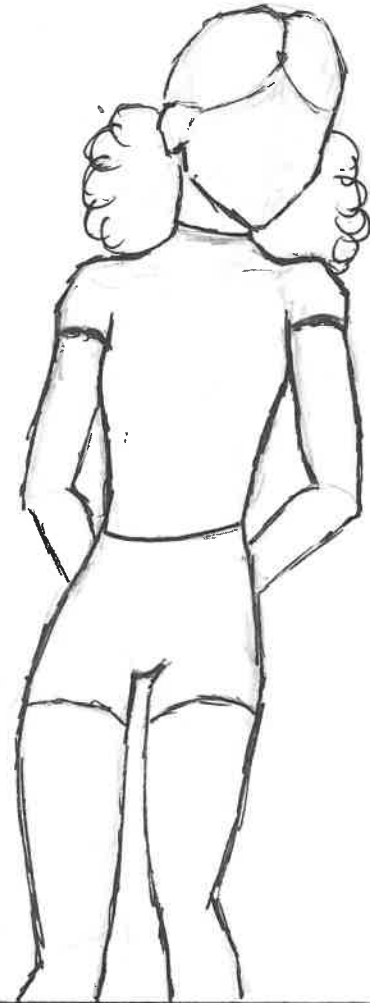

AGE: 12

SEX: Female

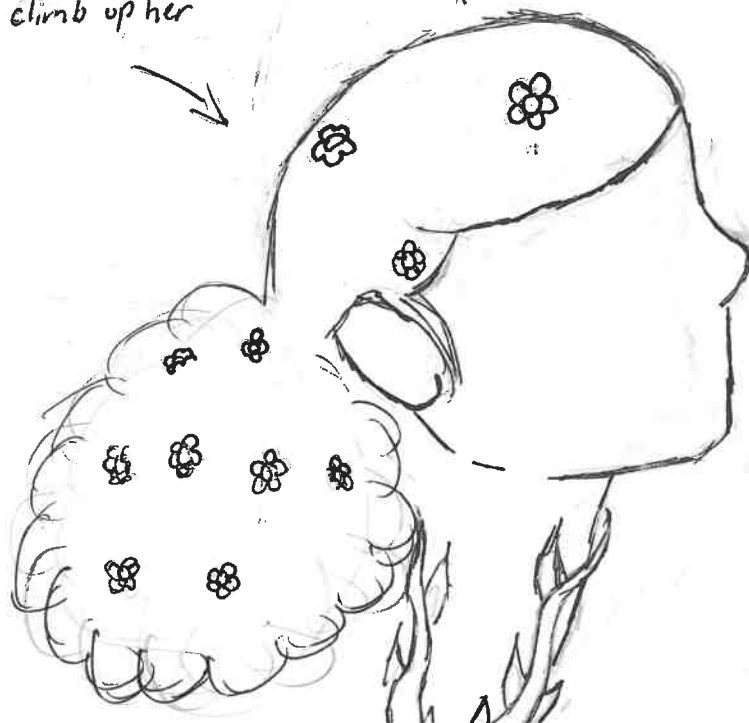

Power Name: Chlorokinesis
The ability to control or summon
vegetation

Fact: At one point, Blossam
got sorted into the wrong age
group of the 14 and 15 y/o's whilst
she was just 12

Blossam

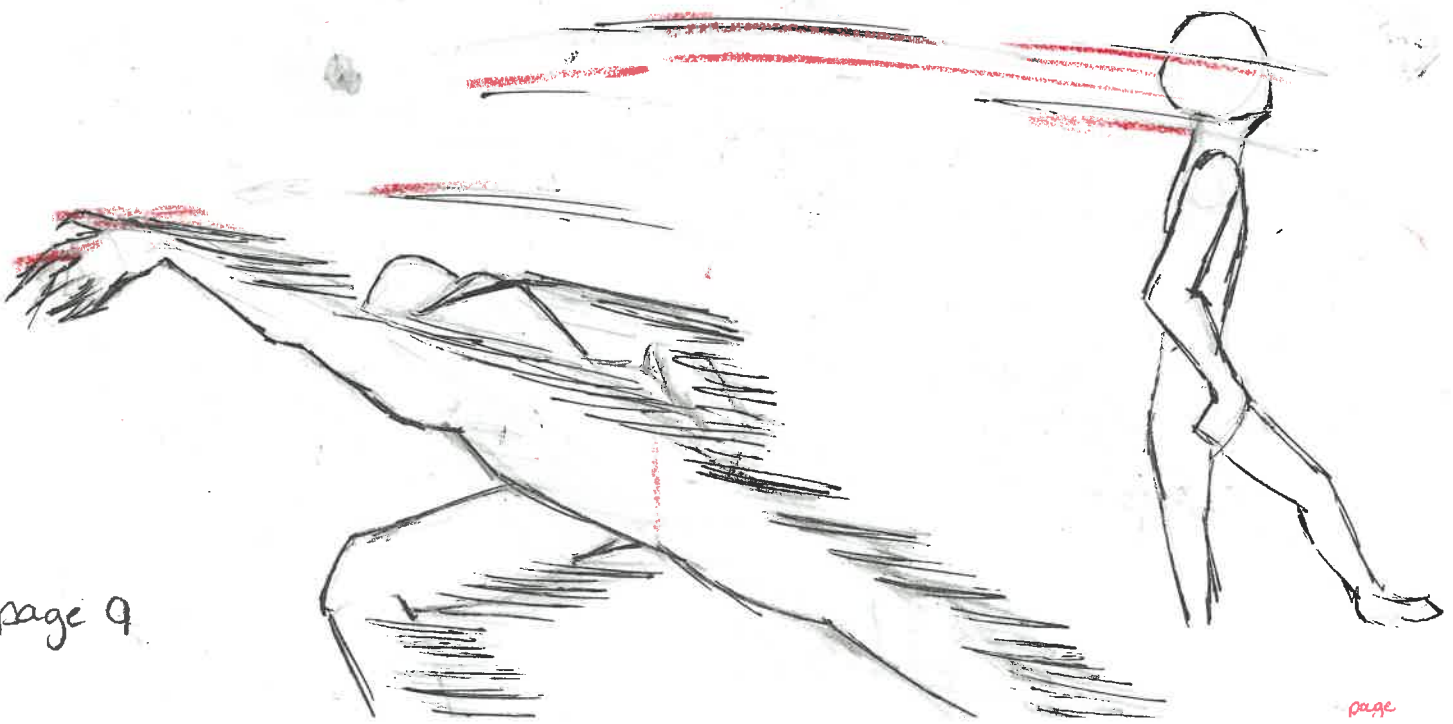

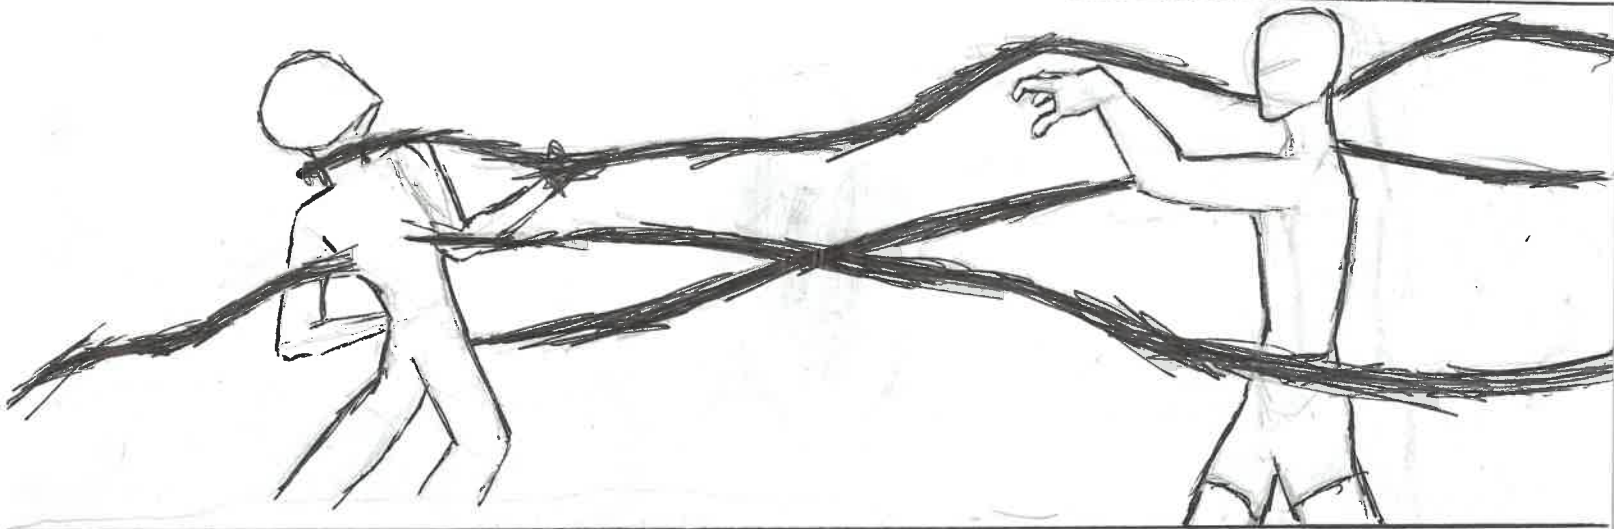

When Blossam uses her power for an
extended period of time, small flowers
bloom in her hair and vines climb up her
limbs.

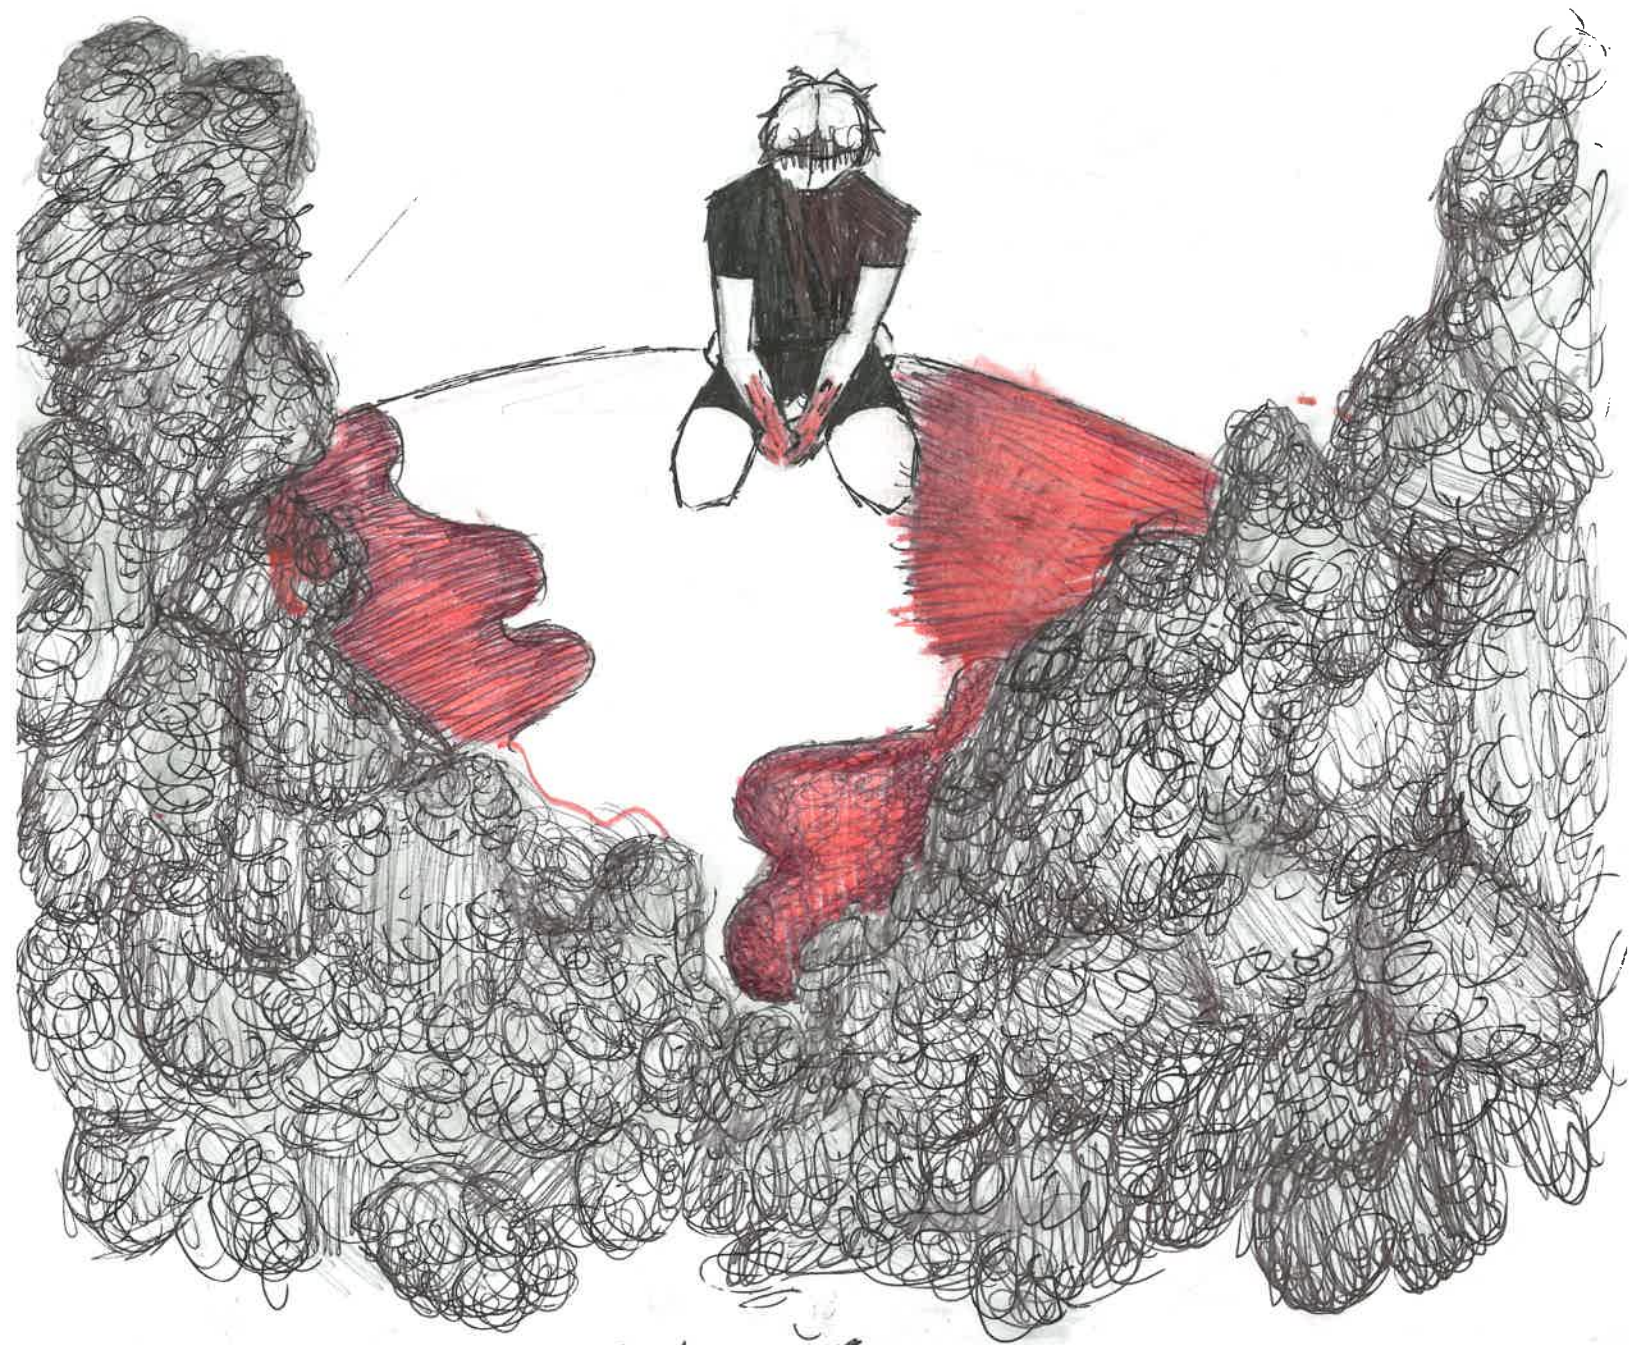

We put them in an arena.....

watching what a being with free
will would do when given a chance

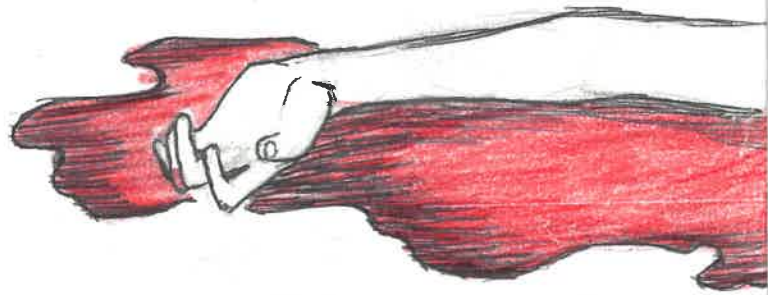

Until One is left

ALIVE

And if they hesitate...

If they refuse to fight
