The Genealogy Resource Center's mission is to provide crucial access to genealogy research resources and offer educational opportunities for customers.

The Genealogy Resource Center's Collection and services help support that mission.

The professional staff remains up-to-date with the latest technology trends and consistently expands their knowledge of new research techniques and new means of connecting with genealogical audiences by attending workshops, webinars, conferences and lectures.

Book a Librarian appointments are available for customers who need help getting started on their genealogical journey or need help breaking through a particularly difficult roadblock.

Visit the Genealogy Resource Center and discover the vast collection of resources and services that are available to family genealogists!
