

The bouncy ball

Bouncing from the Great Wall
To Nepal
Senegal, Taj Mahal
From U-haul to Butterball
That one bouncy ball.

Bouncing to the call
No matter how high the wall
That one bouncy ball.

Went shopping at the mall
Couldn't find anything at all
Found a baby that crawled
Did not help at all.

Went through a hall
A boy said "Don't stall"
Another said "Hey y'all"
Sad enough to make him bawl.

Found a football
Oddball
Dodge ball
Then a brick wall.

Best of all
A basketball
Took a conference call
And met a neanderthal.

Phosphatidylinositol
Took a toll
On that one bouncy ball.
