

Shadow AND Light

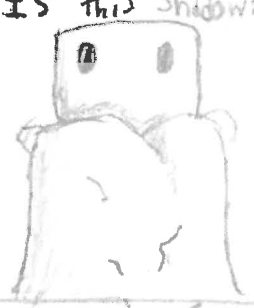

What is this?

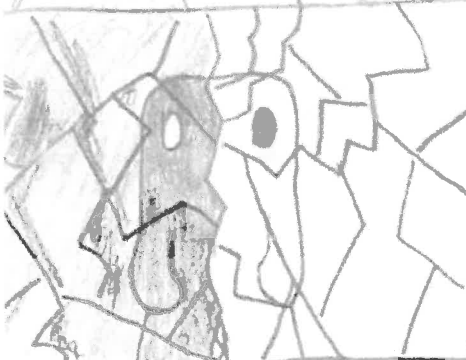

Is it light?...

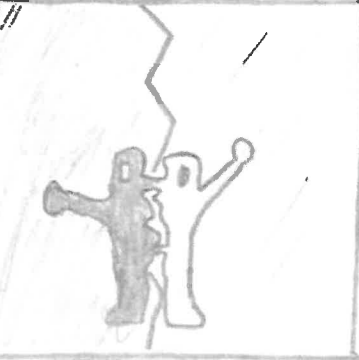

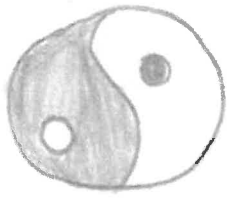

Is this shadow?

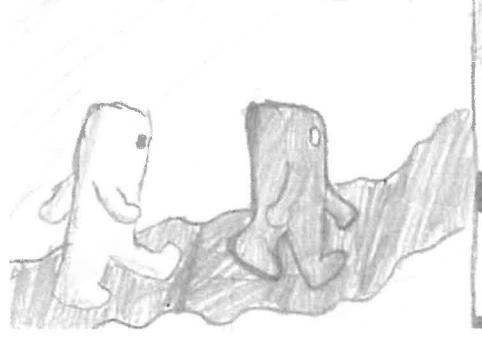

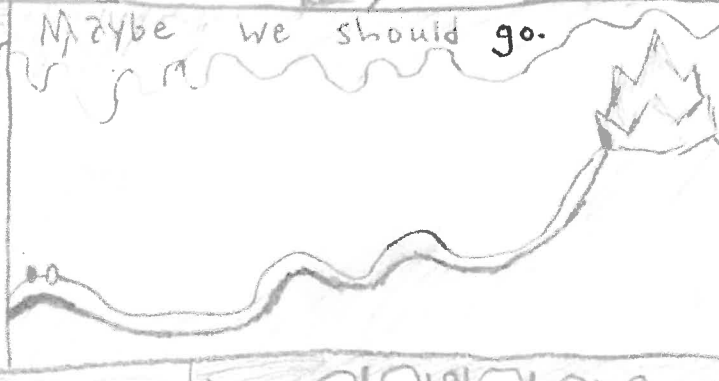

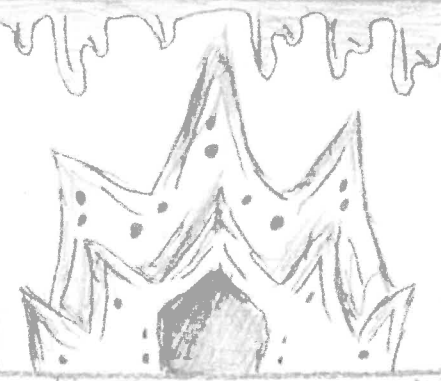

Who are you?

Can I split apart?

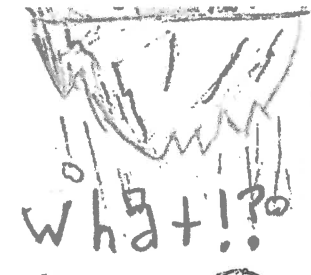

What is it? I don't know.

What's happening?

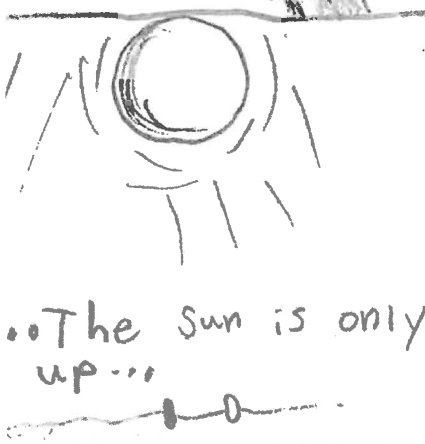

That's not good.

It's a plaque.

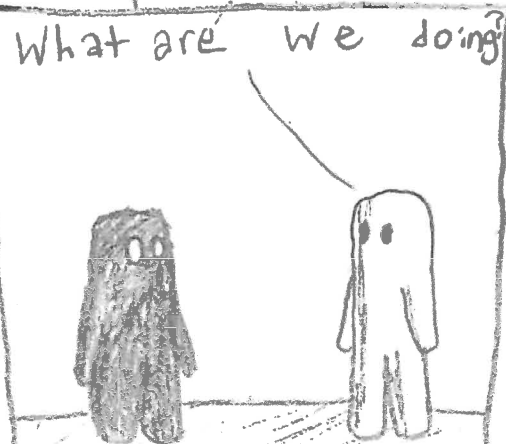

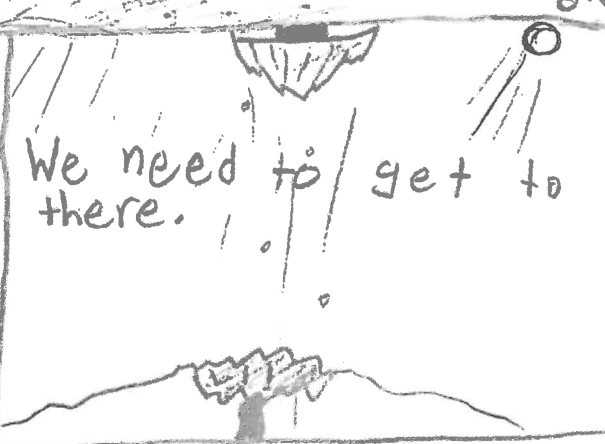

What's it say?

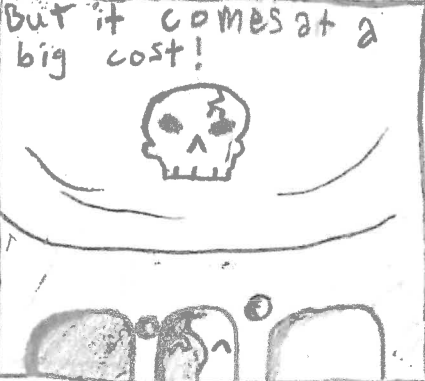

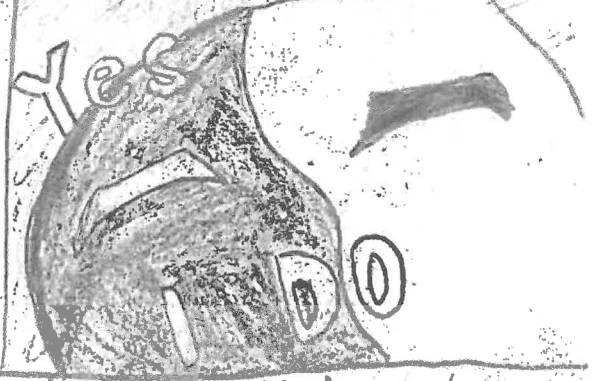

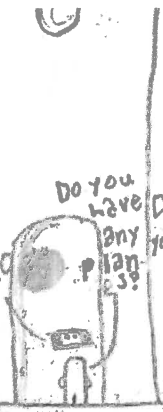

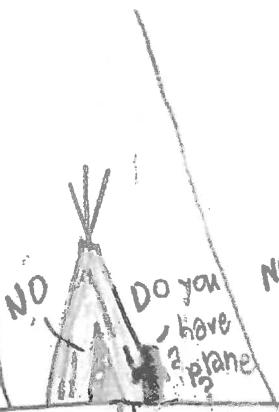

One day every 100 years our sun comes up. If you bring pure light and darkness to the emperor of this palace he can form a new sun to light every day. Until then the dark will run over the wind.

The sun is only up...

...for one day?

Thank you Yiyan!
Bye-bye fellows!

Maybe I should have told them all the wishes are a little cursed.
uhh, ohh well.

Back to the shack back to the shack!

mm whoah we're doing it!

But then...
what was that?
Grumble!

ahh!!!
Ohh No

We're falling!

Ahhhh!
Hold on!

mm
Thank you. Saved you!

No! the sun's almost set!

Wet were Here.
We split!

So they went on to the emperor.

Two figures, one dark and one light, holding hands.

A circular yin-yang symbol with blue and yellow colors.

They formed a new...
A figure with a yin-yang symbol on its head and radiating lines below.
